The "Initiation Fee" shall be a charge collected at the initial closing of a Lot to an entity other than the Declarant or an Approved Builder, and again each time the subject Lot is transferred of record. The Annual Assessments, Special Assessments, and Special Individual Assessments (collectively "Assessments" and individually an "Assessment") together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such Assessment is made as of that date upon which such Assessment is made and continuing until paid. Each such fee and Assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of

such lot at the time when the Assessment fell due. The personal obligation for delinquent Assessments shall not pass to such Owner's successors in title unless expressly assumed by them, but shall remain a lien upon the transferred lot.

Section 2. Purpose of Assessments.

(a) The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Subdivision and in particular for the improvement and maintenance of services and facilities devoted to this purpose and related to the use and enjoyment of the Common Area, including, but not limited to,

Such reserve fund is to be established out of the Annual Assessments or Special Assessments for common expense.

(c) All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of

any expense of operating and managing the Subdivision, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation and the Bylaws. When a Lot Owner shall cease to be a member of the Association by reason of his divestment of ownership of his Lot, by whatever means, the Association shall not be required to account to such Owner for any share of the funds or assets of the Association, which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the Subdivision.

(d) The Declarant and the Association shall be responsible for maintenance and repair of the Storm Water Management Facilities until title to the Storm Water Management Facilities is transferred to the Association, at which time the Association shall be solely responsible for the maintenance and repair thereof. Maintenance and repair of the Storm Water Management Facilities is mandatory per local, state, and federal regulations. In addition to, or in lieu of criminal penalties authorized by the Spartanburg County Revised Storm Water Management Ordinance No. 4281, Spartanburg County has the authority to assess a civil penalty of not more than seven thousand five hundred dollars (\$7,500.00) per violation against any person who has violated any provisions of this ordinance.

(e) Funds for storm water management will be kept separate from other funds as a line item in the Association's overall budget.

(f) The Association shall Maintain the Lot Landscaping as determined by the Board in the front, side and back yards of all lots in a neat, orderly and attractive manner. The Association shall not be obligated to Maintain any Lot Landscaping within any enclosed or fenced areas on a Lot. Nor shall the Association be required to perform Lot Landscaping when an unsafe condition exists on a Lot, including a loose animal. The Maintenance of the Lot Landscaping may include, but shall not necessarily be limited to: the cutting or trimming of grass, trees and shrubs; the re-seeding, re-sodding or replanting of grass; the replanting trees or shrubs; the re-mulching and weeding of mulched areas, the repair and replacement of Lot irrigation installed by the Declarant or the Association; and the routine, customary application of fertilizer, pesticide and algaecide or fungicide, if necessary or recommended. The Association shall not be required to Maintain any shrubbery, grass and other landscaping other than the usual and customary landscaping provided by the Declarant or its replacement provided by the Association. The Association shall have the right to remove any Lot Landscaping which becomes a nuisance. The Association shall have the sole discretion to determine the time at which such Lot Landscaping shall take place, the manner and materials to be used. The replacement of Lot Landscaping of any particular Lot, which is necessitated by deterioration of existing materials, shall also be the responsibility of the Association.

Section 3. Initiation Fee. The Initiation Fee shall be assessed in the amount of one-third (1/3) of the Annual Assessment paid by the purchaser of a Lot and shall be paid or transferred to the Association contemporaneously with each transfer of ownership of any Lot to a party other than the Declarant or an Approved Builder. The Initiation Fee shall not be prorated. The Initiation Fee shall be used for common expenses and can be used for unforeseen expenditures or to acquire equipment or services deemed necessary or desirable by the Board for common Association purposes.

Section 4. Annual Assessment. The initial Annual Assessment shall be set by the Declarant. Once the initial Annual Assessment has been set, the Annual Assessment shall be paid on a calendar year basis unless changed by the Board of Directors.

From and after January 1 of the year immediately following the conveyance of the first Lot to a Class A Member, the maximum Annual Assessment may be increased each year by the Declarant or the Board by not more than ten (10%) percent above the maximum Annual Assessment for the previous year without a vote of the Owners. From and after January 1 of the year immediately following the conveyance of the first Lot to a Class A Member, the maximum Annual Assessment may be increased above ten (10%) percent of the maximum Annual Assessment for the previous year only by an affirmative vote of two-thirds (2/3) of all Owners who are voting in person or by proxy, at a meeting duly called for this purpose.

Section 5. Special Assessments and Special Individual Assessments.

(a) In addition to the Annual Assessments, the Association may levy, in any calendar year, a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement in the Subdivision, or for other special or extraordinary, but not recurring purposes, as identified and approved by the Board, provided that any such assessment shall be approved by an affirmative vote of 2/3 of all Owners who are voting in person or by proxy at a meeting duly called for this purpose at which a quorum is present. No Owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of his lot or otherwise.

(b) In addition to the Annual Assessments and the Special Assessments, the Board shall have the power to levy a Special Individual Assessment applicable to any particular Owner (1) for the purpose of paying the cost of any construction, reconstruction, repair or replacement of any damaged component of the Common Area, including the public roads (prior to their acceptance for public maintenance), whether occasioned by an act or omission of such Owner, members of such Owner's family, or such Owner's agents, guests, employees, or invitees and not as a result of ordinary wear and tear, or (2) for the payment of fines, penalties, or other charges imposed against any Owner relative to such Owner's failure to comply with the terms and provisions of this Declaration, the Bylaws, or any rules and regulations promulgated by the Association or Declarant pursuant to this Declaration or the Bylaws. The due date of any Special Individual Assessment levied pursuant to this Section shall be fixed in the Board's resolution authorizing such Special Individual Assessment. Upon the establishment of a Special Individual Assessment, the Board shall

send written notice of the amount and due date of such Special Individual Assessment to the affected Owner(s) at least ten (10) days prior to the date upon which such Special Individual Assessment shall be due.

Section 6. Notice and Quorum for any Action Authorized under Sections 4 and 5.

Written notice of any meeting called for the purpose of taking any action authorized under Section 4 or 5 shall be sent to all Owners not less than thirty (30) days and no more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Owners or of proxies entitled to cast forty (40%) percent of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half ($\frac{1}{2}$) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Uniform Rate of Assessment. Both Annual Assessments and Special Assessments must be fixed at a uniform rate for all Lots.

Section 8. Date of Commencement of Annual Assessments. The Annual Assessments provided for herein shall commence as to all Lots owned by Class A Members as of the filing of this Declaration. The first Annual Assessment shall be adjusted according to the number of months remaining in the calendar year. Subsequent Annual Assessments will be due not more than once in a twelve-month period as determined by the Board. The Board shall fix the amount of the Annual Assessment against each Lot at least thirty (30) days in advance of each Annual Assessment period. Written notice of the Annual Assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of Assessments on a Lot is binding upon the Association as of the date of its issuance. Notwithstanding the provisions of this Section 8, Lots owned by Declarant or Approved Builder(s) shall be exempt from the Initiation Fee, Annual Assessments, Special Assessments, and Special Individual Assessments during Declarant's or Approved Builder's ownership of the Lot(s). The Initiation Fee, Annual Assessments, Special Assessments, and Special Individual Assessments for such Lot(s) shall commence upon the date of sale of the Lot to a Class A Member.

Section 9. Effect of Nonpayment of Assessments: Remedies of the Association. Any Initiation Fee, Annual Assessment, Special Assessment, or Special Individual Assessment not paid within thirty (30) days after the due date shall be subject to a \$25 late fee and bear interest from the due date at the rate of fifteen (15%) percent per annum. The Association may bring an action at law or in equity against the Owner personally obligated to pay the same, or foreclose the lien created herein against the Lot subject to the Assessment in the same manner as prescribed by the laws of the State of South Carolina for the foreclosure of mortgages, and interest, costs, and reasonable attorney's fees for representation of the Association in such action or foreclosure shall be added to

the amount of such Assessment. No Owner may waive or otherwise escape liability for payment of the Assessment provided for herein by nonuse of the Common Area or abandonment of his or her Lot nor shall damage to or destruction of any Improvements on any Lot by fire or other casualty result in any abatement or diminution of the Assessments provided for herein.

Section 10. Effect of Default in Payment of Ad Valorem Taxes or Assessments for Public Improvements by Association. Upon default by the Association in the payment to the appropriate governmental authority of any ad valorem taxes levied against the Common Area or assessments for public improvements to or for the benefit of the Common Area, which default shall continue for a period of six (6) months, each Owner of a Lot in the Subdivision shall become personally obligated to pay to the taxing or assessing governmental authority a portion of such unpaid taxes or assessments (including any late payment penalties) in an amount determined by dividing the total taxes, assessments, and penalties due the governmental authority by the total number of Lots in the Subdivision. If such sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, then such sum shall become a continuing lien on the Lot of the then Owner, his heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or equity or may elect to foreclose the lien against the Lot of the Owner. This Section shall not become applicable until Class B Membership ceases to exist.

Section 11. Subordination of the Lien to Mortgages. The lien of the Assessments against a Lot provided for herein shall be subordinate to the lien of any first mortgage upon such Lot. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such foreclosure sale or transfer. No foreclosure sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

Section 12. Obligation of the Declarant with respect to Maintenance Assessments. So long as the Declarant owns at least one Lot in the subdivision, Declarant may opt to either pay all expenditures in excess of collections (deficit funding) or choose to have its Lots subject to the regular Assessments. After fifty (50%) percent of the Lots are conveyed to Owners other than the Approved Builder (s), any such deficit funding will be considered a loan to the Association and Declarant may require the Association to reimburse Declarant in full prior to the expiration of Class B Membership.

- (h) other standards set forth within this Declaration (and any amendments hereto) or as may be published by the Architecture Review Committee.

These requirements also pertain to any alterations and/or additions to existing structures.

The documents and other information required to be submitted shall be delivered or mailed to the Architecture Review Committee of Elmwood Cottages Subdivision at HOA Community Management or some other designee as may be appointed by Declarant or the Board. One complete set shall be retained by the Architecture Review Committee and the other complete set shall be returned to the applicant, with the Architecture Review Committee's approval or disapproval clearly noted thereon.

Section 6. Effect of Failure to Approve or Disapprove.

(a) In the event the Architecture Review Committee, or its designated committee fails to approve or disapprove such plans within thirty (30) days after they have been received by the Architecture Review Committee, such approval will be automatic. The terms "Building" or "Improvements" shall be deemed to include the erection, placement, or alteration of any wall, fence driveway, or parking area, or any such activity undertaken subsequent to initial construction.

(b) If an Owner erects any Improvement on a Lot and a suit to enjoin the erection of or to require the removal of such Improvements is not brought by a person or entity having standing to sue within three (3) months from the commencement of construction of such Improvements, then this Article shall be deemed to have been fully satisfied; provided, however, that a Special Individual Assessment may be levied against the Owner for said violations.

Section 7. Hardships. The Architecture Review Committee is authorized to modify or amend, during or before the construction or alteration of any Improvement, the provisions of this Declaration concerning set-back and location and size of Improvements for any particular Lot if in the reasonable opinion of the Architecture Review Committee, such shall be necessary to prevent undue hardship.

Section 8. Enforcement. In addition to the rights of the Declarant and the Association to enforce the provisions of this Declaration as set forth hereinafter, the Architecture Review Committee shall have the specific, nonexclusive right to enforce the provisions contained in this

Article VI and/or to prevent any violation of the provisions contained in this Article VI by a proceeding at law or in equity against the Owner violating or attempting to violate any such provisions contained herein. The Architecture Review Committee shall also have the right to request that the Board levy upon an Owner a Special Individual Assessment for said violations. In the event that the Architecture Review Committee, the Declarant or the Association resorts to litigation to determine the propriety of any constructed Improvement, to remove any unapproved Improvement, or otherwise to remedy a violation of this Article VI, the Architecture Review Committee, the Declarant, or the Association, as applicable, shall be entitled to recover court costs, reasonable attorneys' fees and expenses incurred in connection therewith, which costs, fees and expenses may be levied as a Special Individual Assessment against the offending Owner's Lot.

Section 9. Reservation of Rights by Declarant. The Declarant expressly reserves the right to assign any of the duties, powers, functions, and approval authority set forth in this Declaration to any assignee at Declarant's sole discretion.

Section 10. Exculpation. Neither Declarant, any Approved Builder nor any member of the Architecture Review Committee, shall be responsible or liable in any way for any defects in any plans or specifications approved by the Architecture Review Committee, nor for any structural defects in any work done according to such plans and specifications approved by the Architecture Review Committee. FURTHER, NEITHER DECLARANT, ANY APPROVED BUILDER NOR ANY MEMBER OF THE ARCHITECTURE REVIEW COMMITTEE SHALL BE LIABLE FOR DAMAGES TO ANYONE BY REASON OF MISTAKE IN JUDGMENT, NEGLIGENCE, MISFEASANCE, MALFEASANCE OR NONFEASANCE ARISING OUT OF OR IN CONNECTION WITH THE APPROVAL OR DISAPPROVAL OR FAILURE TO APPROVE OR DISAPPROVE ANY SUCH PLANS OR SPECIFICATIONS OR THE EXERCISE OF ANY OTHER POWER OR RIGHT OF THE ARCHITECTURE REVIEW COMMITTEE PROVIDED FOR IN THIS DECLARATION. EVERY OWNER WHO SUBMITS PLANS AND SPECIFICATIONS TO THE ARCHITECTURE REVIEW COMMITTEE FOR APPROVAL AGREES, BY THE SUBMISSION OF SUCH PLANS AND SPECIFICATIONS, AND EVERY OWNER OF ANY LOT AGREES, THAT HE WILL NOT BRING ANY ACTION OR SUIT AGAINST THE DECLARANT, ANY APPROVED BUILDER, THE ASSOCIATION, THE BOARD, ANY MEMBERS OR OFFICERS OF THE ASSOCIATION OR OF THE BOARD, OR ANY MEMBER OF THE ARCHITECTURE REVIEW COMMITTEE, TO RECOVER ANY SUCH DAMAGES AND HEREBY RELEASES, REMISES, QUITCLAIMS, AND COVENANTS NOT TO SUE FOR ALL CLAIMS, DEMANDS, AND CAUSES OF ACTION ARISING OUT OF OR IN CONNECTION WITH ANY LAW WHICH PROVIDES THAT A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS, DEMANDS, AND CAUSES OF ACTION NOT KNOWN AT THE TIME THE RELEASE IS GIVEN.

Section 11. Maintenance of Lot. It shall be the responsibility of each Owner of a Lot to prevent the accumulation of litter, trash, packing crates, or any other accumulations which shall create an unkempt condition of the buildings or grounds on a lot and/or which shall otherwise tend to substantially decrease the beauty of the Subdivision as a whole or the specific area. No loose trash will be permitted to be strewn about the Subdivision at any time. Garbage containers must be kept

out of sight from the street, except during garbage collection hours. All personal use items shall be stored inside when not in use. These items include, but are not limited to, yard tools, sprinklers, wheel barrows and children's toys which would create a nuisance for the community. Owners shall follow the requirements for maintenance set forth in any applicable landscaping guidelines provided to the Owners by the Declarant and/or the Association. All Improvements on the lot shall be kept within reasonable neighborhood standards as determined by the Architecture Review Committee. In the event the requirements of this section are not adhered to, the Association shall send written notice to the Owner via certified mail giving an additional period for compliance of ten (10) days, unless a hardship or special circumstance requires additional time. If the violation continues, the Association may at its sole discretion hire contractors or other personnel to correct said violation and bill the Owner for all costs incurred. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association the right and easement to unobstructed vehicular and pedestrian access over and upon each Lot at all reasonable times to perform maintenance as provided for in this Article. In the event the Association performs such exterior maintenance, repair, or replacement, the cost of such maintenance, replacement, or repairs shall be assessed to the Owner as a Special Individual Assessment and shall become a lien against the Lot of such Owner.

ARTICLE VII - USES PERMITTED AND PROHIBITED

Section 1. Residential Use of Property. All Lots in the Subdivision shall be used for single-family, residential purposes only and no business or business activity shall be carried on or upon any Lot at any time, except with the written approval of the Board; provided however, that nothing herein shall prevent Declarant or any Approved Builder from using any Lot owned by Declarant or such Approved Builder for the purpose of carrying on business related to the development, improvement and sale of Lots in the Subdivision.

Section 2. Use of Outbuildings and Similar Structures. No tent, shack, garage, barn, storage building, or other out-buildings shall be erected upon any Lot without approval from the Architecture Review Committee and, if approved, such structure(s) shall not be used as a residence either temporarily or permanently. No structure of a temporary nature or an unfinished house shall be used as a residence and no house trailer, modular home, manufactured home or mobile home shall be placed on any Lot either temporarily or permanently.

Section 3. Trailers, Boats, Boat Trailers. Any boat or boat trailers, camping trailer, recreational vehicle, utility trailer and/or similar equipment used for the personal enjoyment of a resident of a Lot shall at all times be neatly stored and positioned so as to be inconspicuous or shall be within a covered and screened area and such placement is subject to Architecture Review Committee approval. The Architecture Review Committee may ask that such equipment be removed at any time it is deemed to be a nuisance by the Board or the Architecture Review Committee. A Special Individual Assessment will be imposed for all costs and expenses incurred by the Association and/or the Architecture Review Committee in connection with any violation of this Section.

Section 4. Offensive Activities. No obnoxious or offensive activity shall be permitted anywhere on a Lot or Common Area(s) nor shall anything be done which may become an annoyance, nuisance, or menace to the Subdivision. No Lot or any part thereof shall be used for any business, commercial, or public purpose, except as set forth in Article VII, Section 1 above.

Section 5. Livestock. No animals shall be kept, maintained, or quartered on any Lot or tract in the Subdivision except that cats, dogs, rabbits, hamsters, or caged birds may be kept in reasonable numbers as pets for the pleasure of Owners so long as said animals do not constitute a nuisance or menace to the neighborhood.

Section 6. Aesthetics, Natural Growth, Screening. Tall shrubbery or hedges shall be trimmed to reasonable limits where traffic hazards may be created. Further, all Owners shall be required to maintain their Lots and any Improvements thereon at all times in a neat, attractive and presentable manner so as not to detract from the overall appearance of the Subdivision or the surrounding property.

Clotheslines and portable basketball goals shall not be allowed. No bird baths, vegetable gardens, frog ponds, lawn sculpture, artificial plants, birdhouses, rock gardens or similar types of accessories and lawn furnishings, sand boxes or other children's play equipment shall be permitted in the front or side yards of any Lot and the installation or location of a swing set and/or permanent basketball goal on a Lot must receive prior written approval of the Architecture Review Committee.

Section 7. Vehicles. Each Owner subject to these restrictions shall provide space for the off-street parking of automobiles prior to the occupancy of any building or structure constructed on a Lot in accordance with reasonable standards established by the Architecture Review Committee. Vehicles shall not be parked in any front or side yard except in areas designated as a driveway or parking area. Vehicles in disrepair shall not be stored within the Subdivision. No passenger vehicles without current registration and license tags will be allowed in the Subdivision or on any Owner's Lot. Vehicles being repaired out of doors must have work completed within twenty-four (24) hours. Visiting guests only may use paved streets for temporary parking of their vehicles. No commercial vehicles in excess of 10,500 pounds gross vehicle weight may be stored or housed in the Subdivision at any time.

Street parking shall be for temporary parking only and is prohibited as a long-term parking solution. The Board or its designee shall have the specific right to impose Special Individual Assessments for extended on-street parking. Special consideration may be granted by the Board for extenuating circumstances.

Section 8. Garbage and Refuse Disposal. No portion of a Lot shall be used or maintained as a dumping ground for rubbish, trash or garbage. Trash, garbage or other waste shall only be temporarily stored awaiting pickup and must be kept in adequate sanitary containers. All equipment for the storage or disposal of trash, garbage or other waste shall be kept in a clean and sanitary condition. Any container used to store garbage, refuse and debris until collected by a public or private waste disposal service shall be stored on each Lot so that it shall be out of sight from all

streets. All containers shall be removed from the street within twenty-four (24) hours of garbage pick-up.

Section 9. Outdoor Fires. No outside burning of wood, leaves, trash, garbage or other refuse shall be permitted on any Lot, except that an outdoor fireplace or permanent outdoor firepit may be approved by written approval from the Architecture Review Committee as further described herein.

Section 10. Fences and Walls. All fences, walls, and other screens or types of barriers must be approved prior to installation pursuant to Article VI, Section 1. Both material and locations of any fences, walls, and other screens or types of barriers must be expressly approved in writing by the Architecture Review Committee.

Section 11. Above Ground Pools. No above-ground pool shall be constructed or placed on any Lot, except that inflatable pools for small children are acceptable.

Section 12. Garages. No residence shall be constructed without having at least a one-car garage which will be maintained permanently as a functional garage, with the exception that sales models constructed by Approved Builder(s) are not required to have functional garages while they are being used as sales models; however, there must be space to be converted to functional garage space upon conveyance of the Lot to a Class A Member.

Section 13. Driveways and Entrances to Garages. All driveways and entrances to garages shall be concrete or some other substance approved in writing by the Board or the Architecture Review Committee and of a uniform quality.

Section 14. Signage. No signs shall be permitted on any Lots except that a single sign offering the Lot for sale may be placed on such Lot, provided such sign is approved by the Architecture Review Committee. Further, so long as Class B Membership exists, Declarant reserves the right to place additional signs as needed within the Subdivision. The Board, through the Architecture Review Committee, reserves the right to allow additional signs as deemed appropriate after Class B Membership ceases.

Section 15. Mailboxes. All residences shall have a special mailbox which will be available from a source to be specified by the Declarant. Common box units as required by the USPS shall be located throughout the neighborhood. Initial placement of these units shall be determined by the Declarant and/or Approved Builder with maintenance being the responsibility of the Association.

Section 16. General Rules and Regulations. The Board shall have the power to formulate, publish, and enforce reasonable general rules and regulations concerning the use and enjoyment of the yard space of each Lot and the Common Area(s). Such rules and regulations, along with all policy resolutions and policy actions taken by the Board, shall be recorded in a Book of Resolutions, which shall be maintained in a place convenient to the Owners and available to them for inspection during normal business hours and with reasonable notice.

ARTICLE VIII – EASEMENTS

Section 1. Easements Along Lot Lines. In addition to other easements as are shown on the Plat, a five foot easement is reserved over and across each side and rear lot line, and a ten foot easement is reserved over and across the front lot line of each Lot, for drainage, utility, cable television, gas, water, power, sewer, and telephone installation and maintenance; provided that should two Lots be consolidated to support one residence, then and in that event, the easements herein above provided shall apply only with respect to the exterior lines of such consolidated Lot.

Section 2. Reservation of Right to Grant Utility Easements. Declarant specifically reserves the right to grant specific easements to any utility services at any time following the date hereof until any specific Lot shall be conveyed by Declarant. The right is reserved to authorize the laying and placement of sewer, gas, and water pipelines, telephone, cable television, telegraph, and electrical light poles and drainage lines, drop inlets, and culverts on any of the streets and easements shown on the Plat. An easement for the installation and maintenance of utilities and drainage facilities is hereby reserved over all streets and easements.

Section 3. Access Easement. Easements for access to the Subdivision are reserved as indicated on the Plat and in recorded easements. The Declarant hereby grants, gives and conveys to each Owner and Approved Builder(s) a perpetual, nonexclusive easement over the areas designated as a “Court,” “Drive,” “Road,” “Street,” “Way,” “Lane,” or “Avenue” on the Plat for vehicular and pedestrian ingress and egress to and from the Subdivision. The easements granted under this Section are reserved and shall run with the land in perpetuity and be binding upon and inure to the benefit of all persons and entities now owning or subsequently acquiring all or a part of the Subdivision, subject to Declarant's right to amend the Plat in the future. Declarant specifically reserves the right to dedicate or convey any street, road or driveway to any governmental entity at any time following the date hereof without the consent or approval of any Owner or the Association.

ARTICLE IX - SETBACK, LOCATION, AND SIZE OF IMPROVEMENTS

Section 1. Setbacks. No building shall be erected on any Lot nearer to the front lot line or nearer to the side street line than the building setback line shown on the Plat. Any such building shall face toward the front line of the Lot except that buildings to be constructed on corner Lots shall face in the direction designated by the Architecture Review Committee. No building shall be located nearer to any interior side lot line than the distance determined by applicable building codes.

Section 2. Detached Buildings. Detached buildings, approved as provided in this Declaration shall be of the same exterior material as the house on the Lot and of a size no greater than 12' x 12' and shall be placed no nearer to any Lot line than the distance determined by applicable building codes. **THE LOCATION OF ALL DETACHED BUILDINGS SHALL BE APPROVED IN ADVANCE BY THE ARCHITECTURE REVIEW COMMITTEE.**

Section 3. Barriers and Obstructions. No wall, fence, or hedge shall be erected between the street and the front corner of the main body of a house on any Lot. All walls, fences and hedges are subject to approval by the Architecture Review Committee and can be placed no closer to the street than the middle of the house on any Lot. Further, no walls, fences or hedges will be allowed to obstruct views on corner lots and therefore should not extend past side or rear building setback lines on corner lots.

Section 4. No Subdivision of Any Lot. No Lot shall be recut so as to face in any direction other than is shown on the Plat nor shall it be recut so as to make any building site smaller than is provided for on the Plat.

Section 5. Combination of Lot. One or more Lots or parts thereof may be combined with the adjacent Lots to form a single building Lot when (i) such combination is permitted by all applicable laws and regulations and (ii) such combination is approved, in writing, by the Board. In such event, the building line requirements provided herein shall apply to such Lots as combined and side line easements as shown on the Plat(s) shall be moved to follow the new side line so that the easement will run along the newly established side line.

ARTICLE X - GENERAL PROVISIONS

Section 1. Enforcement. The Declarant, any Approved Builder (so long as it owns a Lot), the Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of the Declaration, the Articles of Incorporation, or Bylaws. The Declarant or the Association shall have the right to impose Special Individual Assessments for infractions of such restrictions. In the event that the Declarant, any Approved Builder, any Owner, or the Association resorts to litigation to remedy a violation of this Declaration, such Owner, Declarant, Approved Builder, or the Association, as applicable, shall be entitled to recover court costs, reasonable attorneys' fees and expenses incurred in connection therewith, which costs, fees and expenses may be levied as a Special Individual Assessment against the offending Owner's Lot. Failure by the Declarant, the Association, an Approved Builder, or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The Declarant, the Association, the Approved Builder, and any Owner shall have the right to request that law enforcement, public safety and animal control officers come on the Subdivision to facilitate the enforcement of the laws, codes and ordinances of any governmental authority.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by a judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Amplification. The provisions of this Declaration are amplified by the Articles of Incorporation and Bylaws, but no such amplification shall alter or amend any of the rights or obligations of the Owners set forth in this Declaration. Declarant intends that the provisions of this Declaration on the one hand, and the Articles of Incorporation and Bylaws on the other, be

interpreted, construed and applied to avoid inconsistencies or conflicting results. If such conflict necessarily results, however, the provisions of this Declaration shall prevail over any inconsistent provision contained in the Articles of Incorporation or Bylaws to the contrary, to the extent permitted by law.

Section 4. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. Declarant specifically reserves the right to amend this Declaration, or any portion hereof, on its own motion without the consent of any other Owners or Members so long as Declarant owns at least one (1) Lot in the Subdivision. After Class B Membership has ceased, this Declaration may be amended by a recordable instrument signed by Owners representing not less than sixty-seven (67%) percent of the Lots. Any amendment must be recorded with the Office of the Register of Deeds of Spartanburg County, South Carolina. As long as Declarant owns any Lot in the Subdivision, no amendment shall be effective without the written consent of Declarant. Similarly, as long as any Approved Builder owns any lot in the Subdivision, no amendment shall be effective without the written consent of said Approved Builder.

Section 5. Annexation.

(a) Additional Property may be annexed into the Subdivision and made subject to this Declaration by the Declarant by filing a supplemental declaration of record. Subject to subparagraph (b) below, such annexation must be approved by two-thirds (2/3) of each class of members.

(b) Notwithstanding the above, Additional Property may be annexed by the Declarant without the consent of the Class A Members within ten (10) years of the date of this instrument; provided, however, that should Declarant elect to improve and develop all or part of the Additional Property, Declarant shall not have the right to impose covenants and restrictions which materially differ from those contained herein without the written approval of the Association.

Section 6. Notices. All notices, requests, demands, and other communications allowed, made, or required to be made pursuant to the terms of this Declaration shall be in writing and shall be deemed to be given or made when personally delivered (including personal delivery by Federal Express or other nationally recognized overnight private courier service) or the date that is three (3) days after the date of postmark of any notice when deposited with the United States Mail, addressed in any such event to the party to whom such communication is directed at such address as is set forth below or at such other address as may hereafter be designated in writing by the respective parties hereto:

ARTICLE XI - MISCELLANEOUS

Section 1. Notice of Conveyance. The Owner of each Lot shall cause written notice to be delivered to the Association upon the conveyance of any Lot by the Owner, advising the Association of the conveyance.

Section 2. Declarant's Rights. Any or all of the special rights and obligations of the Declarant set forth in this Declaration or the Bylaws may be transferred to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained in this Declaration or in the Bylaws, as applicable. Furthermore, no such transfer shall be effective unless it is in a written instrument signed by both the Declarant and the transferee and duly recorded in the public records of Spartanburg County, South Carolina. Nothing in this Declaration shall be construed to require the Declarant or any transferee to develop any of the property adjacent to or contiguous with the Property.

Notwithstanding any provisions contained in this Declaration to the contrary, so long as construction and initial sales of units shall continue, it shall be expressly permissible for the Declarant and Approved Builders to maintain and carry on upon portions of the Common Area and public streets such facilities and activities as, in the sole option of the Declarant, may be reasonably required, convenient, or incidental to the construction or sale of such units, including, but not limited to business offices, signs, model units, sales offices, and rental units. The Declarant and Approved Builders authorized by Declarant shall have easements for access to and use of such facilities as well as vehicular access for construction along public streets. The right to maintain and carry on such facilities and activities shall include specifically, without limitation, the right to units owned by the

Declarant and any common area or other facilities which may be owned by the Association, as models, sales offices, or rental units.

In addition, notwithstanding any contrary provision of this Declaration, the Bylaws, or any Association rules, the Declarant shall have the right to replat or revise the recorded plats relating to any portion of the Property without the consent of any Owner other than the Owner(s) of the Lots in which the boundaries are altered.

So long as Declarant owns Property within the Subdivision, Declarant may, without the express written consent of any Owner, the Board, the Association or the Architecture Review Committee, include in any contract or deed hereafter executed covering all or any portion of the Subdivision, any additional covenants or restrictions applicable to such lands, so long as they are consistent with and do not lower the standards set forth in this Declaration and do not violate any covenants or restrictions then in effect and recorded against the Subdivision. Further, the Declarant may make any amendments to the Declaration which are necessary to comply with the guidelines established by, or the requirements of, any governmental authority, title insurer or institutional lender without the express written consent of any Owner, the Association, the Board of Directors, or the Architecture Review Committee.

So long as the Declarant continues to have rights under this Article, no person or entity shall record any declaration of covenants, conditions and restrictions, or similar instrument affecting any portion of the Properties without Declarant's review and written consent. Any attempted recordation without compliance herewith shall result in such declaration of covenants, conditions and restrictions, or similar instrument being void and of no force and effect unless subsequently approved by written consent signed by the Declarant and recorded in the public records.

- (a) Class A Lots. Class A Lots shall be all Lots except Class B Lots as defined below. Each Class A Lot shall entitle the Owner(s) of said Lot to one (1) vote. When more than one person owns an interest (other than a leasehold or security interest) in any Lot, all such persons shall be Members and the voting rights appurtenant to said Lot shall be exercised as they, among themselves, determine, but in no event shall more than one (1) vote be cast with respect to any Class A Lot.

If all the Members are present at any meeting of the Members, no notice shall be required and any business may be transacted at such meeting.

Section 3.13 Informal Action by Members. Any action which may be taken at a meeting of the Members may be taken without a meeting if: (i) a consent in writing, setting forth the action so taken, shall be signed by all of the persons who would be entitled to vote upon such action at a meeting and filed with the Secretary of the Association to be kept in the Association's

Section 5.6 Chairman. A Chairman of the Board of Directors shall be elected by the directors and shall preside over all Board of Directors meetings until the President of the Association is elected. 1. Purpose and Scope:

1.1. The Purpose of this document is to provide guidelines for Homeowner and guest Vehicle Parking, both permitted and prohibited within the Elmwood Cottages Subdivision, as well as details of the assessments and penalties which will be applied for continued violations.

1.2. The Scope of this document is to establish more detailed guidelines to the COVENANTS, CONDITIONS AND RESTRICTIONS (CC&R’s), as interpreted by the Board, of the Elmwood Cottages Subdivision, specifically regarding Vehicle Parking within the Subdivision. These guidelines are based upon ARTICLE VII - USES PERMITTED AND PROHIBITED, Section 7 of the CC&R, and shall apply to all Homeowners and Guests.

2. General:

2.1. ARTICLE VII, Section 7. Vehicles. Each Owner subject to these restrictions shall provide space for the off-street parking of automobiles prior to the occupancy of any building or structure constructed on a Lot in accordance with reasonable standards established by the Architecture Review Committee (“ARC”). Vehicles shall not be

parked in any front or side yard except in areas designated as a driveway or parking area. Vehicles in disrepair shall not be stored within the Subdivision. No passenger vehicles without current registration and license tags will be allowed in the Subdivision or on any Owner's Lot. Vehicles being repaired out of doors must have work completed within twenty-four (24) hours. Visiting guests only may use paved streets for temporary parking of their vehicles. No commercial vehicles in excess of 10,500 pounds gross vehicle weight may be stored or housed in the Subdivision at any time.

Street parking shall be for temporary parking only and is prohibited as a long-term parking solution. The Board or its designee shall have the specific right to impose Special Individual Assessments for extended on-street parking. Special consideration may be granted by the Board for extenuating circumstances.

- 2.2 All Homeowners have garages that should be capable of housing at least one (1) vehicle, where the other bay may be used as storage by some Homeowners, and the driveways are capable of accommodating two (2) or more vehicles. In the event that the Homeowner has more than three (3) vehicles, then the Homeowner is responsible to ensure that the garage and driveway can accommodate these vehicles.
- 2.3 Elmwood Cottages Subdivision does not have sidewalks or overflow parking, and if most, if not all Homeowners parked overnight in the street, emergency vehicle access could be severely impeded.
- 2.4 Parking requests as further discussed herein must be submitted in writing to Hinson Management, Inc. ("Hinson Management" or "HOA Management Company"). A link to submit such parking requests will be available on the HOA Management Company's website at <https://www.hinsonmanagement.com/elmwood-cottages>.

3. Homeowner Vehicle Parking

3.1. PERMITTED/ALLOWED:

- 3.1.1. Homeowners may park one (1) vehicle in the street directly in front of their own property during the hours of 6:00AM to 10:00PM. However, vehicles shall neither be parked directly across from a neighbor's driveway nor directly in front of a neighbor's house unless permission is granted by the neighbor. If the Homeowner is not home while a vehicle is parked in the street, a neighbor or friend shall have access to a key to move the vehicle should an emergency situation arise while away.

- 3.1.2. Under extenuating circumstances, such as construction/remodeling/ moving in or out, etc. where access to driveway or garage parking is not possible, Homeowners may park more than 1 vehicle on the street, subject to the conditions stipulated in Section 3.1.1 above. Permission will be required in advance from the Board to park multiple vehicles on the street.
- 3.1.3. On street parking is a concession to Homeowners and is meant to be on a temporary basis only as needed by Homeowners for short term solutions and is not a right to continuously park on the street in perpetuity. The Board reserves the right to impose assessments, penalties and or fines if continued violations occur.

3.2. PROHIBITED/RESTRICTED:

- 3.2.1. Homeowner vehicles shall not be parked overnight in the street between the hours of 10:00PM and 6:00AM, except when written permission is provided by the Board of Directors for Elmwood Cottages Subdivision (“Board“) granting temporary parking permission. In this case, the Homeowner shall provide a written explanation for requiring overnight parking (e.g. an email sent to the HOA Management Company for Board Approval), detailing the reasons why an exemption is required, the length of time required and the make and model of the specific vehicle which will require the exemption.
- 3.2.2. If multiple vehicles from the same household are parked on the street during permitted hours, permission must be obtained from the Board in writing beforehand for each vehicle. If permission is not obtained, the Board reserves the right to impose assessments, penalties and/or fines for violations for each separate vehicle.
- 3.2.3. If multiple vehicles from the same household are parked on the street during prohibited hours and permission has not been obtained from the Board in writing beforehand for each vehicle, the Board reserves the right to impose assessments, penalties and/or fines for violations for each separate vehicle.
- 3.2.4. Vehicles shall not be parked in any front or side yard except in areas designated as a driveway or parking area. In other words, parking on your lawn or any other grassed area within the Subdivision, is strictly prohibited. However, this may not apply to vehicles requiring access over the lawn to perform construction that was previously approved with an ARC Request.
- 3.2.5. Vehicles in disrepair shall not be stored within the Subdivision at any time.
- 3.2.6. No passenger vehicles without current registration and license tags will be allowed in the Subdivision or on any Homeowner's Lot. Any such vehicles will be reported to the relevant authorities and may be subject to removal or towing at the owner's expense.

- 3.2.7. Vehicles being repaired out of doors must have work completed within twenty-four (24) hours. Work shall be contained to the driveway or garage unless written permission is provided by the HOA Board to perform work in the street. If work, as permitted by the Board, is performed in the street, all debris and stains from that work shall be cleaned by the Homeowner.
- 3.2.8. No commercial vehicles in excess of 10,500 pounds gross vehicle weight may be stored or housed in the Subdivision at any time.

4. Visitor Vehicle Parking

- 4.1 Visiting guests only may use paved streets for temporary parking of their vehicles if no space is available either on the homeowner's driveway or in the garage. Temporary parking for guests shall be defined as a maximum of a 2-week (14 day) period, unless written permission is provided by the Board for an extended period. The Homeowner shall notify the HOA Management Company prior to the guest visit
 - 4.1.1 For purposes of this Section, 3 days prior is considered reasonable, including the expected period for parking.
- 4.2 For unplanned or last-minute overnight guest parking, the Board will accept a delayed request for on-street overnight parking. No violation notice will be issued for a single overnight stay if the homeowner informs the Board as soon as possible the next day. For continued further overnight parking requests for visitors, please inform the Board as per Section 4.1 above.

5. RV's, Trailers, Moving Pods

- 5.1. RV's including Travel trailers, Fifth wheels, Toy haulers, class A, B, or C Motorhomes
 - 5.1.1. Homeowners with recreational vehicles ("RVs") are permitted to temporarily park the RV on their own driveway for loading and unloading purposes only. A maximum period of eight (8) hours will be allowed for this purpose, after which time the vehicle must be removed. Parking of RVs on the street for loading or unloading is not allowed.
 - 5.1.2. If overnight RV parking is required, Homeowners should contact the Board to obtain written permission beforehand. The vehicle must remain on the driveway if overnight parking is authorized. Parking of RVs overnight on the street will not be permitted at any time.
 - 5.1.3. If the type of RV cannot be safely accommodated, i.e. the RV is longer or wider than the driveway, parking is not permitted and alternative loading or unloading methods must be sought. No protrusion from the end of the driveway into the street will be allowed.

5.1.4. Violation notices will be issued subject to the provisions detailed in Section 6.0 Violations/Assessments/Penalties below.

5.2. Trailers, including construction and vehicle trailers.

5.2.1. Construction vehicles and trailers may be parked on driveways, including overnight if required, for a maximum of one (1) night only without requiring prior Board approval. For longer periods of continued storage, e.g. during construction projects, etc., prior approval from the Board must be obtained.

5.2.2. The use of driveways for extended trailer storage or long-term parking is not permitted. Trailers must be stored in the garage or in back yards and must not be visible from the street.

5.2.3. Trailer overnight parking or storage on the street is not permitted at any time.

5.3. Moving pods

5.3.1. The placement of moving pods on the street overnight will be permitted with prior notification to the Board detailing the location, size and time period that will be required.

5.3.2. Any pod placed in a dangerous or unsafe location will need to have safety lighting and/or safety warning triangles placed to warn traffic of the hazard.

5.3.3. Permission will be granted for up to five (5) continuous days of on-street storage. Any longer requirement will be subject to Board approval and permission must be sought in advance.

5.4. Damage

5.4.1. Any damage to driveways or lawned areas of the property caused by RV parking will be solely the responsibility of the homeowner.

5.4.2. If any damage is caused to the Subdivision communal areas or landscaping, the homeowner will be held fully responsible for the cost of any repairs.

5.4.3. If any damage is caused to roadways or streets during the placement or removal of any vehicle or equipment, the responsible Homeowner will bear full responsibility for the costs of any necessary repairs.

6. Violations/Assessments/Penalties

6.1. Failure to comply with Vehicle Parking items provided in Section 3, herein, shall be considered as a Violation and subject to the following:

6.1.1. A violation letter will be submitted to the Homeowner, and the Homeowner shall immediately rectify the parking violation to ensure compliance. If the

parking violation pertains to a vehicle that does not have a current registration and license tag refer to Section 6.1.4, herein. Otherwise, proceed to Section 6.1.2, herein.

- 6.1.2. Failure to comply or a repeat violation may be subject to a Special Individual Assessment in an amount determined by the Board. This assessment shall be paid to the HOA Management Company within ten (10) calendar days of written notification of the violation starting on the date of the written notice to the Homeowner. An appeal by the Homeowner may be requested thru the HOA Management Company within the same 10-day period; however, the Board shall have the final determination for the assessment.
- 6.1.3. Further failure to comply, the HOA Board may impose additional Special Individual Assessment(s) and/or request legal action against the Homeowner. Of course, this is considered as a last resort, and should be avoided whenever possible.
- 6.1.4. If the parking violation pertains to a vehicle that does not have a current registration and license tag, then the County will be contacted. Fines and towing imposed by the County shall be at the Homeowner's or vehicle owner's expense.

7. Schedule of Penalties

- 7.1. First violation – Violation letters will be sent from Hinson with a request to remedy the issue as soon as possible.
- 7.2. Second violation - \$100 penalty for each separate vehicle, see Section 6.1.2 above for payment details.
- 7.3. Third violation - \$500 penalty for each separate vehicle.
- 7.4. If no resolution is reached or payment has not been made, a court judgement will be sought. This will incur additional costs for administration and legal fees which will be passed on to the offending parties.
