THE ASSOCIATION

Section 4.1 Automatic Membership. Notwithstanding any other language or provision to the contrary herein or in the bylaws of the Association, Declarant hereby retains the right to appoint and remove any or all members of the Board of Directors of the Association, any officer or officers of the Association and any managing agent for the Association during the Declarant Control Period. **The "Declarant Control Period" shall commence on the date this Declaration is recorded and shall continue until (i) Declarant and Builder(s) no longer own any portion of the Property or the Additional Land, or (ii) the date the Declarant, with the written consent of all Builder(s), executes and records a written instrument in the County public registry terminating the Declarant Control Period, whichever occurs first.** Upon the expiration or termination of the Declarant Control Period, a special meeting of the Association shall be called to elect a new Board of

Directors which shall undertake the responsibilities of running the Association. Once the new Board is elected, Declarant shall deliver to the Board or the managing agent, the books, accounts, and records, if any, kept by Declarant or the managing agent on behalf of the Association as well as any agreements or contracts executed by or on behalf of the Association which may still be in effect or operation. Each Owner, by acceptance of a deed to or other conveyance of a Lot, vests in Declarant such authority to appoint and remove directors, officers and managing agents of the Association as provided in this section.

Notwithstanding the foregoing, the Declarant may, but shall have no obligation to, permit the Members of the Association to elect some or all of the members of the Board of Directors as provided in the Bylaws during the Declarant Control Period (“Early Board Transition”). **Any Early Board Transition allowed by the Declarant shall not affect the Declarant Control Period, shall not change, reduce or eliminate any of the rights and powers reserved or granted to the Declarant in this Declaration or otherwise by law and shall be subject to any restrictions or limitations specified by the Declarant with respect to the Early Board Transition.** Following any Early Board Transition, Declarant shall retain the right to remove and appoint all or any members of the Board of Directors as well as any of the officers of the Association and its managing agent and the right to veto or modify any actions taken by the Board of Directors or the officers during the Declarant Control Period.

Section 4.5 Association to Maintain Books and Records. The Association shall always maintain current copies of all Project Documents, all rules and regulations concerning the Property, as well as its own books, records and financial statements as required by the South Carolina Non-Profit Corporation Act.

Section 4.6 Management and Other Agreements. The Association may be professionally managed and may enter into such agreements for the management, operation and administration of the Project, with the individual, firm or entity that the Association deems appropriate and in the best interest of the Project from time to time. Should the Association enter into a management agreement for the Property as permitted herein, the manager (hereinafter referred to as “Independent Manager”) shall obtain and always maintain Fidelity Insurance as provided in **Section 7.1(c)** of this Declaration.

Section 4.7 Liability Limitations. Neither Declarant, nor any Builder, nor any Member, nor the Board, nor any officers, directors, agents or employees of any of them shall be personally liable for debts contracted for or otherwise incurred by the Association or for a tort of another Member, whether or not such other Member was acting on behalf of the Association or otherwise. Neither Declarant, nor any Builder, nor the Association, nor their directors, officers, agents, or employees shall be liable for any incidental or consequential damages for failure to inspect any premises, improvements, or portions thereof or for failure to repair or maintain the same. Neither the Declarant, nor any Builder, nor the Association nor any other person, firm or association making repairs or providing maintenance shall be liable for any personal injury or other incidental or consequential damages occasioned by any act or omission in the repair or maintenance of any premises, improvements or portions thereof. The Association shall, to the extent permitted by applicable law, indemnify and defend all members of the Board from and against any and all loss, cost, expense, damage, liability, claim, action or cause of action resulting from the performance by the Board of its duties and obligations, excepting for any loss, cost, expense, damage, liability, claim, action or cause of action resulting from the gross negligence or willful misconduct of the person(s) to be otherwise indemnified.

Section 4.8 Safety and Security. Each Owner, tenant and Occupant of a Lot, and their respective guests and invitees (“Person” or “Persons”) shall be responsible for their own personal safety and the security of their property in the Project. The Association may, but shall not be obligated to, maintain, or support certain activities within the Project designed to enhance the level of safety or security which each Person provides for such Person’s property. Neither the Association nor Declarant shall in any way be considered insurers or guarantors of security within the Project, nor shall either be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. No representation or warranty is made that any systems or measures, including any mechanism or system for limiting access to the Project, cannot be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands and shall be responsible for informing each Person that the Association, its Board and committees and the Declarant are not guarantors of security or safety and that each Person using the Project assumes all risks of personal injury and loss or damage to property, including Lots and the contents of Lots, resulting from acts of third parties.

Section 4.9. Association Acceptance of Responsibility for Contracts, Permits, Leases, Infrastructure, Improvements and Facilities; Declarant Power of Attorney. Infrastructure, improvements, and facilities shall include, without limitation, BMPs, retaining walls, amenities, structures, pools, walls, monuments, trails, streets and roads, landscaping, utilities, and drainage/storm water control systems. The officers of the Association shall immediately execute any documents which are requested or required by the Declarant or by any government authority or agency or which are necessary to facilitate and memorialize (a) the assignment of contracts and leases entered into by the Declarant with respect to the Property to the Association, (b) the Association’s acceptance of repair, maintenance and replacement responsibilities and/or (c) the transfer of permits to the Association as provided for herein. **THE ASSOCIATION SHALL BE RESPONSIBLE FOR ANY COSTS, EXPENSES OR DAMAGES INCURRED OR SUSTAINED BY THE DECLARANT AS A RESULT OF ANY DELAY OR FAILURE BY THE ASSOCIATION OR ITS OFFICERS TO COMPLY WITH THE REQUIREMENTS OF THIS SECTION 4.9, INCLUDING, WITHOUT LIMITATION, ANY ATTORNEYS’ FEES INCURRED BY THE DECLARANT AS A RESULT OF ANY SUCH DELAY OR FAILURE.**

Without limiting the rights of the Declarant or the obligations of the Association under this section, the **DECLARANT SHALL HAVE THE POWER AND AUTHORITY TO EXECUTE ANY SUCH DOCUMENTS IN THE NAME OF THE ASSOCIATION AND AS ITS AGENT AND ATTORNEY-IN-FACT SHOULD THE ASSOCIATION OR ITS OFFICERS AND DIRECTORS FAIL OR REFUSE TO DO SO.** The Declarant may also request and require that the officers and directors of the Association (including those appointed by the Declarant during the Declarant Control Period) execute, deliver and/or record powers-of-attorney or other written

authorizations confirming the authority of the Declarant to act as the agent and attorney-in-fact of the Association as provided herein. ARTICLE V

OPERATION OF THE PROPERTY AND ASSESSMENTS

Section 5.1 Adoption of Budget; Creation of Lien and Personal Obligation for Assessments. The Board shall, from time to time and at least annually, prepare and adopt a proposed budget for the Project, determine the amount of expenditures payable by the Owners to meet the proposed budget (“Common Expenses”) and allocate and assess Common Expenses among the Owners, as provided in this **Article V**. The Common Expenses shall include such amounts as the Board deems necessary for the operation and maintenance of the Property and shall include, without limitation, amounts for purposes set forth in **Section 5.2**, amounts for permitted reserves and such amounts as may be necessary to make up any deficit for outstanding Common Expenses for any previous year.

During the Declarant Control Period, the proposed budget shall be approved by the Declarant and Builder(s) without any further vote, approval or consent from the Board or the Members.

After the termination of the Declarant Control Period, the Board shall mail or electronically deliver a summary of the proposed budget and a notice of a meeting to consider ratification of the budget to all Members. Such ratification meeting shall be held not less than ten (10) nor more than sixty (60) days after the budget summary and notice are mailed or electronically delivered. There shall be no requirement that a quorum be present at the meeting. The proposed budget is ratified unless, at that meeting, a majority of all the Members in the Association vote to reject the proposed budget. In the event the proposed budget is rejected, the periodic budget last ratified by the Members shall be continued until such time as the Members ratify a subsequent budget proposed by the Board as provided herein. Should circumstances warrant an amendment or change in the budget during any calendar year, the Board shall formulate a revised budget and submit that budget to the Members for ratification as provided herein.

Any surplus funds remaining after payment of or provision for Common Expenses shall be retained by the Association and held as reserves for the payment of future Common Expenses as the Board of Directors, in its sole discretion, deems appropriate.

Each Owner of any Lot or portion of the Property (but neither Declarant nor any Builder), by acceptance of a deed therefor, is deemed to covenant and agree to pay to the Association: (1) Annual Assessments or charges of the Association, (2) Supplemental Annual Assessments, (3) Special Assessments, and (4) Special Individual Assessments (collectively, “Assessments”), such Assessments to be established and collected as hereinafter provided. Each Assessment, together with interest, costs, and reasonable attorneys’ fees, shall be a continuing lien upon the Lot against which each such Assessment is made. Each such Assessment, together with interest, costs, and reasonable attorneys’ fees, shall also be the personal financial obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent Assessments shall not pass to his successors in title (other than as a lien on the Lot) unless expressly assumed by them.

DECLARANT AND BUILDER(S) SHALL BE EXEMPT FROM ALL ASSESSMENTS RELATING TO ANY PORTION OF THE PROPERTY.

Section 5.2 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the Owners and other residents of the Property to the fullest extent authority or responsibility is granted to the Association hereunder including, and without limiting the generality of the foregoing, for: (i) the leasing, improvement, maintenance and operation of the Common Elements including, without limitation, that specified in **Section 3.3** and **Section 8.1**; (ii) the maintenance, repair or replacement of the exterior surfaces of the Townhomes and maintenance on the Lots (including, but not limited to the cost of repairs, replacements, additions, labor, equipment, materials, management, and supervision) as specifically provided in **Section 8.1**; (iii) provision of services and facilities devoted to this purpose and related to the use and enjoyment of the Common Elements, including but not limited to maintenance and landscaping; (iv) payment of insurance premiums for the insurance policies maintained by the Association in accordance with the Project Documents; (v) payment in connection with the street lights (if any) or other utilities serving the Property; (vi) payment of management fees to a property manager in accordance with **Section 4.6**; (vii) the employment of attorneys, architects, accountants and other professionals to represent or assist the Association deemed necessary or appropriate by the Board; (viii) the cost of utilities and fuel used in operating facilities in the Common Elements; (ix) the maintenance and upkeep of all Roadways in the Property until they are accepted by a governmental entity or agency, if ever; (x) the payment of costs incurred to provide private garbage and solid waste collection service to each Lot (if not provided by a governmental entity); (xi) the payment of costs incurred to obtain water and sewage disposal for the Common Elements and Townhomes, if needed and not charged directly to the Owners by a public or private utility; (xii) for reserves as permitted in **Section 3.4**; (xiii) the payment of charges and fees due and owing under any Bulk Service Contract(s) entered pursuant to **Section 6.3**; and (xiv) to carry out all other purposes and duties of the Association and/or the Board as provided in the Project Documents.

Section 5.3 Payment of Annual Assessments; Due Dates and Maximums. Each Owner of a Lot shall pay to the Association Annual Assessments as hereinafter set forth.

(a) Annual Assessments provided for herein shall commence as to any Lot as of the date of the conveyance by Declarant or Builder to an Owner (other than Declarant or Builder) of such Lot. The Annual Assessment for the first year in which a Lot is subject thereto shall be prorated based upon the number of days remaining in the applicable billing period from the date of such conveyance. The Annual Assessment amount for each and every year shall be an amount set by the Board of Directors, in accordance with the terms of this **Article V**. Annual Assessments shall be due and payable either in full and in advance or in installments as determined by the Board. Except as expressly provided herein below with respect to Annual Assessments during the Declarant Control Period, the Board shall fix the amount of the Annual Assessment as to each Lot for any calendar year and shall send written notice of the amount and due date of each installment of such Annual Assessment to each Owner at least thirty (30) days prior to the due date for payment of the assessment or the first installment thereof; provided, however, the failure of the Association to send, or of an Owner to receive, such notice shall not relieve any Owner of the obligation to pay Annual Assessments. The Declarant shall not be obligated to pay Annual Assessments in any year except with Declarant's prior written approval. Notwithstanding the foregoing, for calendar years beginning during the Declarant Control Period, Declarant shall fund the Annual Expense Shortfall (defined below) with direct payments to the Association. For purposes of this Section, "Annual Expense Shortfall" shall mean the amount by which the annual expenses of the

Association (excluding any reserves) exceed the total amount of the Annual Assessments paid by Owners other than the Declarant.

(b) For calendar years beginning during the Declarant Control Period, the Annual Assessment amount for each year shall be the amount set by the Declarant (with the consent of any Builder(s) owning any portion of the Property). **Annual Assessments during the Declarant Control Period shall not be subject to any maximum, nor shall they require the consent or approval of any Owner or Member.**

(c) For calendar years beginning upon or after the termination of the Declarant Control Period, Maximum Annual Assessment and Annual Assessment amounts shall be set as follows:

(i) The Maximum Annual Assessment for the first calendar year beginning on or after the termination of the Declarant Control Period shall be equal to the amount of the actual Annual Assessment set and established by the Board as provided in Subsection (a) above for the preceding year plus ten percent (10%). In each subsequent calendar year, the Maximum Annual Assessment may be increased by the Board (without any vote of or approval from the Members) by an amount equal to the previous year's Maximum Annual Assessment times the greater of (i) five percent (5%) or (ii) the annual percentage increase in the Consumer Price Index, All Urban Consumers, United States, All Items (1982-84 = 100) (hereinafter "CPI") issued by the U.S. Bureau of Labor Statistics for the most recent 12-month period for which the CPI is available. Permitted increases shall be cumulative, and any increase not taken in any year may be taken and applied by the Board in any later year. If the CPI is discontinued, then the index most similar to the CPI published by the United States Government indicating changes in the cost of living shall be used.

(ii) The Maximum Annual Assessment applicable to each Lot may be increased above the amount set forth in Subparagraph (i) of this **Section 5.3(c)** by a vote of a majority of the votes appurtenant to the Lots which are then subject to this Declaration, plus the written consent of Declarant during the Declarant Control Period.

(iii) The Board shall levy an Annual Assessment applicable to each Lot based on the budget ratified as provided in **Section 5.1**. The Annual Assessment levied by the Board shall not exceed the Maximum Annual Assessment established as provided in and modified pursuant to Subparagraphs (i) and (ii) of this Subparagraph (c). If the Board levies an Annual Assessment which is less than the Maximum Annual Assessment for any calendar year and later determines during that calendar year that any of the responsibilities, duties or functions of the Association cannot be fully funded by the Annual Assessment levied, the Board may levy a Supplemental Annual Assessment, provided that the sum of the Annual and Supplemental Annual Assessments in any year is consistent with the ratified budget, as modified or changed, and does not exceed the applicable Maximum Annual Assessment for that year as established and provided in this Subparagraph (c).

(d) With respect to any Lot conveyed by Declarant or Builder to an Owner, the purchaser of such Lot shall pay to the Association at closing the amount of the Annual Assessment for the installment period in which the closing occurs on such Lot, prorated based upon the number of days remaining in such installment period. With respect to any Lot conveyed by any Owner (and not by Declarant or any Builder), the amount of the Annual Assessment applicable to such Lot for the installment period in which such closing occurs shall be prorated between the buyer and seller thereof

as of the date of closing of such conveyance.

(e) During the Declarant Control Period, and notwithstanding anything else to the contrary, all Annual Assessments levied by the Association must be approved by the Declarant and any Builder(s) owning any portion of the Property at the time the Annual Assessment is levied.

Section 5.4 Special Assessments. In addition to the Annual Assessments authorized above, the Association may levy a special assessment ("Special Assessment") for the purpose of defraying, in whole or in part, the cost of (i) the construction of any Common Elements improvements which are not originally constructed by Declarant or (ii) the reconstruction, repair or replacement of the Common Elements, including any improvements located thereon or improvements on Lots which the Association is expressly required to repair and maintain under **Section 8.1**, if any, provided that:

(a) **NEITHER DECLARANT NOR ANY BUILDER SHALL BE OBLIGATED TO PAY ANY SPECIAL ASSESSMENTS.**

(b) During the Declarant Control Period, and notwithstanding anything else to the contrary, Special Assessments need only be approved by the Declarant and any Builder(s) owning any portion of the Property at the time the Special Assessment is levied.

(c) After the termination of the Declarant Control Period, all Special Assessments must be approved by Members holding at least sixty-seven percent (67%) of the votes appurtenant to the Lots which are then subject to this Declaration.

Section 5.5 Special Individual Assessments. In addition to the Annual Assessments and Special Assessments authorized above, the Board shall have the power to levy a special assessment applicable to any particular Owner(s) ("Special Individual Assessment") (i) for the purpose of paying for the cost of any construction, reconstruction, repair or replacement of any damaged component of the Common Elements, including any improvements located thereon, which is occasioned by any act or omission of such Owner(s), members of such Owner's family or such Owner's agents, guests, employees, tenants or invitees and not the result of ordinary wear and tear, (ii) for payment of costs incurred by the Association to bring any Lot into compliance with the Project Documents, including, without limitation, the Community Wide Standard provided for in **Section 8.2**; or (iii) for payment of fines, penalties or other charges imposed against any particular Owner related to such Owner's failure to comply with the terms and provisions of this Declaration or the Project Documents. The due date and payment terms (if any) for any Special Individual Assessment levied shall be fixed by the Board. Upon the establishment of a Special Individual Assessment, the Board shall send written notice of the amount and due date of such Special Individual Assessment to the affected Owner(s) at least thirty (30) days prior to the date such Special Individual Assessment is due. **NEITHER DECLARANT NOR ANY BUILDER SHALL BE OBLIGATED TO PAY ANY SPECIAL INDIVIDUAL ASSESSMENT.**

Section 5.6 Allocation of Assessments and Common Expense Responsibilities. Except as provided herein, Annual Assessments, Supplemental Annual Assessments and Special Assessments levied by the Association shall be assessed equally to and against all Lots, excepting and excluding Lots owned by the Declarant or Builder. Notwithstanding the forgoing, the Board of Directors, in its discretion, may assess any Common Expense or portion thereof benefiting fewer than all the Lots to

and against the Lot or Lots benefitted. Special Individual Assessments shall be assessed to and against the Lot(s) owned by the Owner(s) against whom they are levied.

Section 5.7 Effect of Nonpayment of Assessments; Remedies of the Association. If any Assessment, or installment thereof, is not paid within thirty (30) days after its due date, the Board may, at its option and without further notice, declare the entire unpaid Assessment immediately due and payable. Unpaid Assessments shall bear interest from and after the due date at the rate of eighteen percent (18%) per annum, not to exceed, however, the maximum rate permitted by law. In addition, the Association may impose a charge for late payment of any Assessment up to but not exceeding \$45.00 per month, which late charge may be imposed once in any month during which any Assessment, interest, late charge or other previous charge (or any portion thereof) remains unpaid. The Association shall also be entitled to recover fees and penalties for returned checks as permitted by law and any administrative/collection service fees charged to the Association by its management company or any third party agent providing collection services. Interest, late charges, administrative/collection service fees, returned check fees as well as reasonable attorney fees and costs shall be added to and collectible with and in the same manner as Assessments. Assessments levied and late charges, administrative/collection service fees, interest, returned check fees, attorney's fees and costs allowed herein shall be the personal obligation of each Owner and a continuing lien upon the Owner's Lot. The Association's lien shall be superior to all other liens and encumbrances on the Owner's Lot, except for (a) liens for ad valorem taxes, (b) liens for all sums unpaid on a Mortgage, or (c) liens for all sums on any mortgage to Declarant duly recorded in the County public registry and all amounts advanced pursuant to such mortgage and secured thereby in accordance with the terms of such instrument.

The Association may enforce assessment obligations as permitted by law, including, without limitation, by filing and foreclosing a claim of lien in the same manner as a mortgage, and/or by bringing an action at law against the Owner personally obligated to pay the assessment. Each Owner, by his acceptance of a deed to a Lot, expressly grants to and vests in the Association and its agents the right and power to file a claim of lien and to bring such action or foreclosure. Foreclosure may be accomplished in an action brought in the name of the Association in the same manner that a foreclosure of a mortgage would be brought or as otherwise provided by law, and each Owner grants to the Association the right to foreclose any such charge or lien. The Association, acting on behalf of the Owners, shall have the power to bid on any Lot and to acquire and hold, lease, mortgage and/or convey the same. **NO OWNER MAY WAIVE OR OTHERWISE ESCAPE LIABILITY FOR THE ASSESSMENTS PROVIDED FOR HEREIN BY NON-USE OF THE COMMON ELEMENTS, BY REJECTION OF ASSOCIATION SERVICES, OR BY ABANDONMENT OF HIS LOT.**

During any period in which an Owner is in default in the payment of any installment of an Assessment levied by the Association, the voting rights of the Owner in the Association, the Owner's right to the use of the Common Elements and/or any other services, privileges or facilities which are provided by the Association (except the right of access to the Owner's Lot) are automatically suspended without the necessity of any notice, hearing or other formal process until such Assessment and all related fees and charges are paid in full. During any period in which an Owner is in default in the payment of any installment of an Assessment levied by the Association, the Board may also notify the owner and holder of any Mortgage of a delinquency relating to the Lot encumbered by that Mortgage.

Section 5.8 Exempt Property. The following parts of the Property shall be exempt from assessment by the Association: (a) the Roadways; (b) portions of the Property owned by the Declarant,

any Builder or the Association; and (c) any part of the Property dedicated to and accepted by any public or governmental authority (the recording of this Declaration shall in no way be deemed a dedication of, or an offer to dedicate, any part of the Property to any such authority).

Section 5.9 Voluntary Conveyance; Estoppels. Except as provided in **Section 5.8**, the lien for Assessments of the Association created in this **Article V** shall not be affected by any conveyance of a Lot and shall remain a continuing charge on that Lot and a continuing lien which may be foreclosed as provided in **Section 5.7**. Any grantee in a voluntary conveyance of any Lot shall be entitled to a statement from the Board, setting forth the amount of the unpaid assessments due the Association with respect to the Lot and such grantee shall not be liable for, nor shall the Lot conveyed be subject to a lien for, any unpaid Assessments made by the Association against the grantor in excess of the amount set forth in that statement.

Section 5.10 Capital Contribution Payable by Transferee. In addition to assessments and other charges payable as provided in this Declaration, the buyer/transferee of any Lot (other than a Builder) shall pay a capital contribution directly to the Association (and not to any third-party) at the time of closing. Capital contributions not paid at closing may be collected and enforced by the Association in the same manner as assessments under **Article V**. During the Declarant Control Period, the amount shall be set by the Declarant, with the consent of any Builder(s), provided, however, that the capital contribution during the Declarant Control Period shall be not less than fifty-percent (50%) of nor more than one hundred-percent (100%) of the Annual Assessment amount for the year in which the capital contribution is collected. After the termination of the Declarant Control Period, the amount shall be set by the Board, in its sole discretion, and may be changed by the Board from time to time but shall not exceed the amount of the Annual Assessment levied for the year in which the transfer occurs. **NOTWITHSTANDING THE FOREGOING, ALL TRANSFERS FROM THE DECLARANT TO A BUILDER OR SUCCESSOR DECLARANT ARE EXEMPTED AND EXCLUDED, AND NO BUILDER OR SUCCESSOR DECLARANT SHALL BE REQUIRED TO PAY ANY CAPITAL CONTRIBUTION TO THE ASSOCIATION.**

Section 5.11 Fee Based Services and Access Authorized. The Association may, in its discretion, charge user fees for services or access to portions of the Common Elements and may establish terms and conditions for payment of those user fees. User fees charged shall be in addition to Assessments levied and payable under this Article.

Section 5.12 Payments by Owners. In the event a payment is tendered that is less than the total due and owing by the Owner to the Association, the partial payments shall be applied to oldest charges owed first whether those charges are assessments, fines, interest, late charges or other fees or charges authorized by law or in the declaration and regardless of any request or designation made by the Owner at the time the payment is made. At any time an Owner fails to pay all amounts due and owing on or before the date payment is due, the Association may, in its discretion, reject and return payments that are insufficient to pay the balance due in full and/or may require that payments thereafter be made in certified funds or other form.

ARTICLE VI

UTILITIES

Section 6.1 Water System. Every Lot shall be connected to a public utility water system. **Private wells may not be drilled or installed on any Lot for any purpose.**

Section 6.2 Sewage Disposal System. Every Lot shall be connected to a public utility sewage disposal system.

Section 6.3 Bulk Services and Bulk Service Contract(s). The Declarant or the Association may contract with third persons or entities for the provision of bulk services to the Project for the benefit of the Owners, including, without limitation, trash collection, telephone, internet, and broadcast television services, as the Declarant or the Board of Directors of the Association, acting in its or their sole discretion, deem reasonable and appropriate from time to time (“Bulk Service Contract(s)”). Payments due and owing under any Bulk Service Contracts shall be paid using Assessments levied and collected as provided in Article V hereof and no Owner shall be permitted to exempt him/herself from any such Assessment by non-use of or refusal to accept any services which are contracted for in any Bulk Service Contract.

Bulk Service Contracts for the Project may be entered into in the name of the Declarant or in the name of the Association. Bulk Service Contracts entered into in the name of the Declarant may be assigned (in whole or in part) by the Declarant to the Association at any time, and such assignment or partial assignment shall not require the consent or approval of any other person or entity, including, without limitation, the Association’s Board of Directors, any officer of the Association and/or any Owner.

Each Owner acknowledges that interruptions in services provided pursuant to Bulk Service Contracts will occur from time to time. Declarant and the Association shall not be liable for, and shall not be obligated to provide any Owner or other person with any compensation, or refund, rebate, or offset of any applicable fee(s) or Assessment, as a result of any interruption in services, regardless of whether or not such interruption is caused by reasons which are within the Association’s or the service provider’s control.

Notwithstanding anything else to the contrary, Declarant is expressly authorized to contract for, to receive and to retain direct compensation from the provider of any service(s) provided pursuant to any Bulk Service Contract. Declarant’s right to compensation hereunder shall be perpetual and no provision in any Bulk Service Contract or other agreement which provides for such compensation to Declarant shall be cancelled, abridged or modified in any way in the absence of Declarant’s prior written consent thereto.

ARTICLE VII

INSURANCE AND RECONSTRUCTION

Section 7.1 Association Insurance. The Association shall procure and maintain, or cause to be maintained, insurance in accordance with the following provisions:

(a) Property and Casualty Insurance. The Association shall obtain and maintain at all times a policy or policies of property insurance (ISO special form or its equivalent) covering all buildings and improvements located on the Property (which includes all the Lots as well as the

Common Elements) in an amount not less than one hundred percent (100%) of the replacement cost of such improvements at the time such insurance is purchased and at the time of each renewal thereof, exclusive of the land, excavations, paving, foundations, footings, and other items normally excluded from property policies and exclusive of improvements and/or betterments which were not part of the original construction of any Townhome and were added or installed after the sale of any Townhome by Declarant to its first owner. Said insurance may provide for coinsurance by the Association of not greater than twenty (20%) percent and/or may include a commercially reasonable general deductible not to exceed \$10,000.00 and other percentage loss and/or fixed dollar deductibles as the Board of Directors, acting in its sole discretion, deems reasonable and appropriate from time to time; The Board shall, at least annually, review the insurance coverage required herein and determine the current replacement cost of such improvements, including, without limitation, fixtures, personal property and supplies. Such coverage shall provide protection against loss or damage by fire or other hazards covered by a standard extended coverage endorsement, windstorm and water damage, vandalism and malicious damage and all perils covered by a standard "all risk" endorsement.

All policies of property insurance procured by the Association shall provide that all losses shall be adjusted with and all proceeds shall be payable to the Association. The Association shall have exclusive authority to negotiate any and all losses under such insurance policies, and the Association is hereby irrevocably appointed as agent and attorney-in-fact for each Owner to adjust all claims arising under such policies and to execute and deliver releases upon the payment of claims. The Association shall use and apply insurance proceeds received to repair or restore the damaged property as provided in **Section 7.7**.

If reasonably available, each policy obtained pursuant to this subsection shall:

- (1) show the Association as the named insured, but shall provide that each Owner is an insured person with respect to his Lot and Townhome;
- (2) contain clauses providing for waiver of subrogation against the Association, any officer, director, agent, or employee of the Association as well as the Owners, their family members and members of their households and their employees, agents tenants and invitees;
- (3) contain a provision that the coverage will not be prejudiced by the act or neglect of one or more Owners when said act or neglect is not within the control of the Association or by any failure of the Association to comply with any warranty or condition regarding any portion of the Property over which the Association has no control; and
- (4) contain a provision that coverage cannot be canceled, invalidated or suspended on account of the conduct of any director, officer or employee of the Association (i) without prior demand in writing that the Association cure the defect, and (ii) the allowance of a reasonable time thereafter within which the defect may be cured.
- (5) provide that it may not be canceled or substantially modified without at least thirty (30) days' prior written notice to the Association and all insureds, including all Owners and all mortgagees to whom certificates, or memoranda of insurance have been issued;
- (6) provide that if, at the time of a loss under the policy, there is other insurance in the name of an Owner covering the same risk covered by the policy, the Association's policy provides

primary insurance except to the extent the loss or damage is subject to the allowed deductible; and

(7) contain an inflation guard endorsement, an agreed amount endorsement and a construction code endorsement.

The responsibility for payment of the deductible authorized above shall be allocated to and between the Association and the Owner(s) of each affected Lot and Townhome by the Board of Directors as it, acting in its sole discretion, deems reasonable and appropriate and as allowed in **Section 7.7**.

(b) Liability Insurance. The Association shall obtain and maintain a policy of commercial general liability insurance in such limits as the Association may, from time to time, determine, covering each member of the Board, the Independent Manager, if any, and each Owner with respect to liability arising out of the operation, use, ownership, maintenance, or repair of the Common Elements. The liability insurance policy shall include endorsements covering cross liability claims of one insured against another, including the liability of the Owners as a group to a single Owner, and shall provide that it may not be canceled or substantially modified without at least thirty (30) days' prior written notice to the Association and to all additional insureds. The Board shall review such limits annually.

(c) Fidelity Insurance. The Association shall procure and maintain, or cause to be maintained, a policy or policies of insurance coverage to protect against dishonest acts on the part of officers, directors, volunteers and employees of the Association and any other persons who handle or are responsible for the handling of funds of the Association. Any Independent Manager shall also acquire and maintain fidelity insurance as required herein and under **Section 4.6**. Any such fidelity insurance policy must name the Association as the named insured and shall be written in an amount as may be determined by the Board, but in no event less than one-half (1/2) the total Annual Assessments levied during the previous year plus the total of all reserve funds, if any.

(d) Other Insurance. The Board, or its duly authorized agent, shall have the authority to and shall obtain and maintain in effect such other insurance coverages as the Board shall determine from time to time to be desirable, including, without limitation, directors and officers liability insurance.

(e) Insurance Unavailable. In the event the insurance described in Subsections (a) through (c) is not reasonably available, the Association promptly shall cause notice of that fact to be hand-delivered or sent by United States first class mail to all Owners. For purposes of this subsection, insurance will be deemed "not reasonably available" if the cost of that insurance is prohibitive considering the Association's budget and available resources. In the event the Association determines any such insurance to be "not reasonably available," it shall take reasonable steps to obtain insurance for the benefit of the Association and the Owners which is as closely equivalent to the insurance coverage required in Subsections (a) through (c) that is reasonably available.

Section 7.2 Premiums and Deductibles. Premiums upon insurance policies purchased by the Association, and any amounts paid as a result of any deductible applicable to coverage provided under Sections 1 (b), (c) or (d), shall be paid by the Association as a Common Expense, provided, however, that deductibles and/or expenses paid or incurred by the Association as a result of the negligent or intentional act or omission of any Owner, or that of his agents, guests, invitees or family

members, shall be charged to and paid by the Owner as a Special Individual Assessment pursuant to **Section 5.5**. All such premiums shall be paid by the Association at least thirty (30) days prior to the expiration date of such policies.

Section 7.3 General Standards. All insurance policies maintained by the Association under this **Article VII** shall be written with a company or companies licensed to do business in the State of South Carolina. All insurance policies shall be written for the benefit of the Association and shall be issued in the name of and provide that all proceeds thereof shall be payable to the Association. Notwithstanding any of the foregoing provisions and requirements relating to insurance, the Association's authorized representative who has the authority to negotiate losses under any policy providing such insurance may be named as an insured. Upon written request, the Association shall deliver certificates or memoranda of insurance to the Owners and their Mortgagees attesting the fact that such policies of insurance are in force and effect. The Association also shall furnish to all Owners and Mortgagees, upon written request, evidence that premiums for the required insurance have been paid on an annual basis.

Section 7.4 Insurance Proceeds. The Association shall use the net proceeds of property and casualty insurance to repair and/or replace any damage or destruction of property, real or personal, covered by such insurance as provided in **Section 7.7**. Any balance from the proceeds of property and casualty insurance paid to the Association remaining after satisfactory completion of repair and replacement shall be retained by the Association. If the insurance proceeds received by the Association are insufficient to reimburse, to repair and/or replace any damage or destruction to person or property, the Board may levy a Special Assessment or Special Individual Assessment, as appropriate under the circumstances, to cover the deficiency.

Section 7.5 Owner's Insurance. Each Owner shall obtain and continuously maintain insurance coverage as follows:

- (1) Property and casualty insurance covering his Lot and Townhome in an amount sufficient to cover all insurance deductibles applicable to insurance coverage obtained and maintained by the Association under **Section 7.1** (including, without limitation, all percentage loss and fixed dollar deductibles, if any) and as may be required, specified and/or changed by the Board of Directors acting in its sole discretion from time to time;
- (2) Property and casualty insurance covering Owner's personal property in such amount as the Owner deems appropriate and covering any improvements and/or betterments which were not part of the original construction of Owner's Townhome and were added or installed after the sale of the Townhome by the Declarant to its first owner;
- (3) Public liability insurance coverage in an amount of at least \$100,000.00 for bodily injury, including death of persons, and for property damage, arising out of a single occurrence;
- (4) Additional or increased special form coverages/endorsements (e.g. loss assessment, sewer/drain backup, etc.) in such amounts as required, specified and/or changed by the Board of Directors acting in its sole discretion from time to time; and
- (5) Such other insurance as the Owner may deem desirable and appropriate.

Each Owner shall promptly pay all premiums charged in connection with insurance coverage required by this section. In addition, each Owner shall provide the Association with evidence that all required insurance coverage has been obtained and remains in force upon request. The Association shall have no obligation or responsibility to insure or verify that each Owner obtains or maintains insurance coverage as required herein and shall not be liable for any losses resulting from any Owner's failure or refusal to do so.

Section 7.6 FNMA, FHA or VA Insurance Requirements. Notwithstanding any other provision contained in this Article or this Declaration, the Association is authorized to obtain and maintain insurance sufficient to satisfy the insurance requirements of the Federal National Mortgage Association ("FNMA"), the Federal Housing Administration ("FHA") and the Veteran's Administration ("VA") applicable to the Project, as those requirements and standards may be modified or changed from time to time.

Section 7.7. Responsibility for Reconstruction or Repair of Casualty Damage. Notwithstanding any other provisions contained in this Declaration to the contrary, the Association and the Owners shall be responsible for the repair and replacement of portions of the Property damaged by casualties as follows:

(a) If any portion of the Property is damaged by perils that ARE covered by the property insurance maintained by the Association in accordance with **Section 7.1(a)**, then:

(1) The Association shall cause such damaged portion to be promptly reconstructed or repaired with the proceeds of insurance available for that purpose. Any such reconstruction or repair shall be substantially in accordance with the plans and specifications for the original development of the Property. Except as provided herein, the cost of repair and replacement in excess of insurance proceeds available is a Common Expense. In the event of any deficiency, one or more Special Assessments shall be made against all Owners in sufficient amounts to provide funds for the payment of such costs, and the proceeds of any such Special Assessments shall be deposited with the Association. In addition, or alternatively, the Association may borrow funds to pay for such costs with the consent and approval of two-thirds (2/3) of the Members of the Association present, in person or by proxy, at a meeting duly called for such purpose at which a quorum is present.

(2) Notwithstanding the forgoing, to the extent insurance proceeds are not available for repair or reconstruction by reason of the application of an allowed deductible and the damages are to structures or improvements on a Lot or Lots in whole or in part, then the Lot Owner(s) shall be responsible for reimbursing the Association for any deductible(s) applied which the Board of Directors, acting in its sole discretion, attributes to the repair or replacement of the structures or improvements on Lot(s). The owner property insurance required under **Section 7.5** shall be primary with respect to any repair or reconstruction expenses that are attributed to a deductible under the Association's policy and are determined to be the responsibility of Owner(s) as provided herein. The amount of the deductible attributed to the repair or replacement of the Lot or Townhome may also be assessed against that Lot as a Special Individual Assessment, and, if not paid, shall be a lien on the Lot having all of the priorities of an Assessment as provided for in this Declaration and shall be collectible and enforceable as provided in **Article V**.

(b) If any portion of the Property is damaged by perils that ARE NOT covered by the property insurance maintained by the Association in accordance with **Section 7.1(a)**, then:

(1) The repair or reconstruction of any damaged improvements within the Common Elements shall be accomplished promptly by the Association and the extent of such repairs shall be a Common Expense of the Association. In such event, one or more Special Assessments shall be made against all Owners in sufficient amounts to provide funds for the payment of such costs, and the proceeds of any such Special Assessments shall be deposited with the Association. In addition, or alternatively, the Association may borrow funds to pay for such costs with the consent and approval of two-thirds (2/3) of the Members of the Association present, in person or by proxy, at a meeting duly called for such purpose at which a quorum is present.

(2) The repair or reconstruction of any damaged improvements within any Lot shall be accomplished promptly by the Owner of the affected Lot at his or her own expense. If the Owner of the affected Lot fails to promptly accomplish such repair or reconstruction, the Association may perform such repairs or reconstruction on the Owner's behalf. The expense of such performance may be assessed against that Lot as a Special Individual Assessment, and, if not paid, shall be a lien on the Lot having all of the priorities of an Assessment as provided for in this Declaration and shall be collectible and enforceable as provided in **Article V**.

ARTICLE VIII

MAINTENANCE OF PROPERTY

Section 8.1 Maintenance by Association. The Association shall be responsible for the operation, maintenance and repair of the Common Elements as provided in **Section 3.3**. In addition, the Association shall be responsible for the maintenance and repair of all Roadways. Notwithstanding any references or notations appearing on the Plat, the Association shall only be responsible for the maintenance of easements located on the Common Elements except to the extent the Association is assigned maintenance responsibility for easements on Lots in this Declaration. Notwithstanding the foregoing, the Association shall not be responsible for the maintenance or repair of damage caused, in whole or in part, by the negligent or intentional act or omission of any Owner, or that of his agents, invitees, guests or family members and any costs or expenses incurred by the Association for such maintenance or repairs shall be the responsibility of that Owner and may be charged to that Owner as a Special Individual Assessment under **Section 5.5**.

Notwithstanding anything else to the contrary, the Association shall have no obligation to repair or maintain any portion of any Lot or any Townhome or other improvement located thereon except as follows:

(a) The Association shall provide **lawn maintenance** on each Lot which shall **ONLY** include mowing, blowing, edging, fertilizing, application of weed treatment on the turf portions of the lawn and the installation of pine needles in plant beds. The Declarant and the Association, acting through the Board, may adopt rules and regulations requiring the removal of property, animals, and other possible obstructions from the Lot so that lawn maintenance can be efficiently completed. Lawn maintenance will be provided in Rear

Yards only if gates are unlocked and the Association and its selected contractors have free and unhindered access to the Rear Yard at the time the contractor is on site to provide the lawn maintenance services. To the extent areas on any Lot are rendered inaccessible to the Association, the Owner of the Lot shall be responsible for maintaining the Lot in accordance with the Community-Wide Standard as provided in **Section 8.2** at Owner's sole expense and without any assessment credit or reduction. Owners shall not interfere with, hinder or in any way seek to instruct or direct the contractor selected by the Association and sent to the Lot to provide lawn maintenance as provided herein.

- (b) In addition, the Association shall provide lawn maintenance on that portion of the **right-of-way** located between the property line of each Lot and the improved portion of the Roadway adjacent thereto which shall **ONLY** include mowing, blowing, edging, fertilizing, weed treatment and aerating the turf portions located within the right of way.
- (c) The Association shall provide **exterior surface maintenance** upon Townhomes only as follows: Repair and care of roof shingles, gutters, downspouts, and all exterior Townhome surface materials, provided, however, that the Association shall not be responsible for the painting or staining of any exterior building surface on the Townhome. Without expanding these expressed and specific responsibilities, the Association shall not maintain any exterior lighting, decks, doors (entry doors, garage doors or patio doors) or any windows or any of the component parts of the doors or windows including their frames and hardware.
- (d) The Association may pay the costs to maintain a **termite bond** on all the Townhomes but is under no obligation to do so.

Section 8.2 Maintenance by Owners; Establishment of Community-Wide Standard.

The Owner of any Lot (but neither Declarant nor any Builder) shall maintain at such Owner's sole cost and expense, each Lot owned by such Owner, including the Townhome and any other improvements located thereon in compliance with the covenants, conditions and restrictions contained in this Declaration and in compliance with the Community-Wide Standard ("CWS"); provided, however, that Owners of Lots shall have no responsibility for the maintenance of their Lot or the Townhome or improvements constructed thereon to the limited extent that specific maintenance and repair responsibilities are expressly assigned to the Association in this Declaration.

Nothing shall be changed, added, modified, or altered on any Lot unless first approved as provided for in Article IX below. Notwithstanding any other provision in this Declaration, each Owner shall be solely responsible for maintaining (1) any portion of the Owner's Townhome Lot that is altered, modified or changed other than changes, alterations or modifications made by the Association or the Declarant, and (2) anything added to the Lot or Townhome other than additions by the Association or the Declarant, regardless of whether the modification, change or addition is approved as required under **Article IX** below.

The CWS shall be established and may be expanded, modified, and amended by the Board as provided below. At a minimum, the CWS shall require the following:

- (a) Prompt removal of all litter, trash, refuse and waste;

- (b) Prompt removal of trash, refuse, debris and weeds from all lawns, shrub beds, improved natural areas and landscaping;
- (c) Full and continuous compliance with all governmental health and police requirements;
- (d) Pruning of all trees and shrubs at least once every six (6) months in order to keep vegetation neatly and evenly trimmed;
- (e) Mowing of all lawn and all turf areas for which Owner is responsible, if any, so that grass does not exceed four (4) inches in height;
- (f) Regular watering of the Lot to keep lawn and vegetation alive;
- (g) All exterior lighting and mechanical facilities must be kept in working order at all times;
- (h) Prompt removal and/or replacement of any dead plant material;
- (i) Prompt repair of cracked, broken, or damaged areas in parking areas and driveways and to prompt removal of vegetation from parking areas and driveways;
- (j) Prompt repainting, refinishing, and/or repair of any part of the exterior of the Townhome and all other improvements on the Lot that fades, chips, cracks, peels, discolors or otherwise deteriorates;
- (k) Prompt repair or replacement of any damage to the Townhome and all other improvements on the Lot. If any Townhome or other improvement on a Lot is damaged or destroyed by fire or other casualty, then the Owner of the Lot on which the damaged Townhome or improvement is situated must repair and restore such damage or, in the alternative, remove the damaged Townhome or improvement and restore the Lot to its condition existing prior to the construction of such Townhome or improvement within six (6) months following the date such damage or destruction occurs;
- (l) Maintenance of all portions of the Lot which are not improved by an impervious surface or a structure with approved turf, vegetation, or groundcover;
- (m) Barren earth shall not be exposed anywhere on a Lot;
- (n) Prompt removal and replacement of any diseased, dead or dying plants, turf, shrubs, or trees (regardless of size);
- (o) Prompt repair or replacement of any exterior building surface or component on the Townhome or any other improvement on the Lot, which is missing, broken or otherwise in a state of disrepair;
- (p) Items to enhance the outdoor usability of a Townhome, or items used to decorate a Townhome, shall not have obvious missing parts, be broken, or otherwise be in a state of disrepair and

must be immediately repaired or removed from sight until repaired. Examples of such items would be outdoor furniture, flower planters, patio umbrellas, banners, flags, and holiday decorations; and

(q) Decks or other natural wood improvements, such as pergolas and arbors, shall not have any unprotected exposed wood.

For purposes of the CWS, any requirement that an Owner must take “prompt” action shall be understood to require that the Owner take the required action within ten (10) days after the Association mails written notice of the need for the required action to the Owner at his/her address of record with the Association.

In addition to (a) –(q) above, the Board may adopt and establish other standards and requirements in a separate CWS document. The CWS may be modified, expanded, or amended by the Board from time to time without any approval from the Members. **Any separate CWS document shall be recorded as required by South Carolina law and shall be made available to any Member on request.** Notwithstanding anything contained herein to the contrary, the CWS shall apply to each Lot only upon and after the conveyance of such Lot by Declarant to an Owner who acquires the Townhome and Lot for residential use.

If an Owner of any Lot has failed in any of the duties or responsibilities of such Owner as set forth herein, then the Board and/or Declarant may give such Owner written notice of such failure and such Owner must perform the care and maintenance required or otherwise perform the duties and responsibilities of such Owner as described herein within ten (10) days after receiving such notice. Notice shall be deemed to have been received upon deposit in an official depository of the United States mail, addressed to the party to whom it is intended to be delivered, and sent by certified mail, return receipt requested or when sent by email to the Owner’s email address. Provided, however, this cure period may be extended for a time not to exceed sixty (60) days so long as the Owner shall have commenced action to cure and diligently pursues completion of the same. If the Owner fails to cure the nonconformity or violation within the period specified, the Declarant and/or the Association may enter the Lot and cure the nonconformity or violation, and all costs and expenses incurred by the Declarant or the Association may be charged to the Owner and against the Lot as a Special Individual Assessment pursuant to **Section 5.5**. The Association’s rights under this paragraph are in addition to the Association’s power and authority to impose administrative fines and to suspend voting rights, privileges and/or services for violations as provided herein and in **Article XIV**.

In the event the Association incurs costs or expenses in connection with the investigation of conditions which require maintenance or repair and it is determined that the repair and maintenance needed is the responsibility of the Owner, the Association may recover those investigatory costs and expenses from the responsible Owner as a Special Individual Assessment.

Section 8.3 Responsibilities and Maintenance of Common Areas. Subject to the Declaration, the declarant and its successors and assigns, including the Association, will own and maintain the Common area and all Stormwater Management Facilities (structural and non-structural) located within the Common Area, including but not limited to, structural and non-structural Stormwater Management Facilities, buffers, low-impact development and associated elements. Within these areas, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the performance of stormwater features, easements, buffer areas, or which

may change the direction of flow of stormwater or drainage channels, or obstruct or retard the flow of water through the stormwater features in these areas.

ARTICLE IX

ARCHITECTURAL AND LANDSCAPING CONTROL

Section 9.1 General. No Improvements (as defined in **Section 9.5** below), including, without limitation, site preparation on any Lot, change in grade, drainage, or slope of any Lot, or erection, alteration or addition to or of any building situated upon the Property, erection of, or changes or additions of or to fences, hedges, walls and other structures, any landscaping, or any cutting of trees on any Lot, shall be commenced, erected, installed or maintained on any portion of the Property or be changed, modified, altered, enlarged or expanded until: (a) the Reviewer (as defined herein) has received and reviewed the plans and specifications therefor and the location, materials, size and design of such Improvements and has given its **written approval** in accordance with the terms, requirements and procedures set forth in this Article and any Architectural and Landscape Guidelines. In addition to any standards established pursuant to this Declaration, Declarant may establish or apply other or different architectural and landscaping control standards, guidelines, and restrictions regarding various Phases or sections of the Property. **EXCEPT AS OTHERWISE EXPRESSLY PROVIDED HEREIN, THE PROVISIONS OF THIS ARTICLE IX SHALL NOT APPLY TO THE CONSTRUCTION OF ANY IMPROVEMENTS COMMENCED, ERECTED, MODIFIED, OR MAINTAINED BY DECLARANT OR ANY BUILDER ON ANY PART OF THE PROPERTY.**

Approval of an Improvement may be conditioned upon commencement and/or completion within specified periods or by specified dates. If no specific period is specified, every Improvement must be commenced within six (6) months of the date approved and if not, a new written approval must be requested and obtained as provided herein.

Section 9.2 Designation of the Reviewer

(a) During the Declarant Control Period and Before Release. During the Declarant Control Period, the Reviewer shall be the Declarant and/or persons appointed, from time to time, by Declarant. Control of architectural and landscaping issues and decisions shall remain vested in Declarant until the Declarant releases in writing its right to review some or all architectural or landscaping requests with respect to one or more of the Lots and allows some or all architectural or landscaping requests submitted thereafter to be reviewed by the Board or the ARB as provided for in subsection (b) below. The Declarant may revoke any prior release of its right to review architectural or landscaping requests, in whole or in part, at any time during the Declarant Control by giving written notice of revocation to the Board or the ARB. Nothing herein shall require the Declarant to release its Reviewer status with respect to any Lot prior to the termination of the Declarant Control Period, it being the Declarant's right to act as the Reviewer with respect to all of the Property unless and until the Declarant elects to release its Reviewer status and rights in writing as permitted herein.

(b) After the Declarant Control Period or After Release. After the Declarant Control Period ends, the Board shall act as Reviewer unless the Board appoints, in its discretion, an Architectural Review Board ("ARB") for that purpose. The ARB, if appointed, shall be composed of

at least three (3) and not more than seven (7) individuals, the exact number of members of the ARB to be designated from time to time by the Board.

The decision of the Reviewer shall be final and binding in all respects. In the case of decisions made by the Board or ARB acting as Reviewer, all such decisions shall be by majority vote. In its capacity as Reviewer, neither the Board nor the ARB shall be required to observe corporate formalities and may informally vote on and/or make decisions, whether electronically or otherwise, on requests submitted; provided, however, that a written record shall be made of decisions made on requests submitted.

The members of the ARB need not be Owners. In the event of the death or resignation of any member of the ARB, the Board shall have full authority to designate and appoint a successor. Members of the ARB may be removed and replaced at any time, with or without cause, and without prior notice, by the Board.

Section 9.3 Professional Services. Notwithstanding anything contained herein to the contrary, the Reviewer shall have the right, power and authority to employ and/or use the services of any architects, engineers, attorneys or other professionals as it deems necessary or advisable, in its sole discretion, to carry out the duties and obligations of the Reviewer as described in this **Article IX**; provided, however, that any expenditures for professional services after the termination of the Declarant Control Period or after Release shall be approved in advance by the Board. Professional fees for services requested by and rendered to the Reviewer may be taxed to the Owner submitting a request and if unpaid, shall become a Special Individual Assessment enforceable as provided in **Section 5.5**.

Section 9.4 Architectural and Landscape Guidelines.

(a) The Reviewer may, from time to time, publish and promulgate architectural and design guidelines (the "Architectural Guidelines"). The Architectural Guidelines shall be explanatory and illustrative of the general intent of the development of the Property and are intended to be a guide to assist Owners in preparing and submitting applications, plans, specifications, and supporting information for proposed Improvements and as a reference to assist the Reviewer in reviewing applications, plans, specifications, and supporting information for proposed Improvements, excluding only landscape Improvements, which are addressed in **Section 9.4(b)** below. The Architectural Guidelines may set out, among other things, the procedures for submission, review and approval of plans and specifications for the construction of non-landscape Improvements to and by the Reviewer. The Reviewer is authorized to request the submission of samples of proposed construction materials. **To the extent standards, requirements, methods, and procedures are established in the Architectural Guidelines, they shall be binding upon and must be complied with by all Owners and their contractors and sub-contractors and shall be assumed to be incorporated into any written approval issued pursuant to this Article unless expressly varied in writing by the Reviewer. The Architectural Guidelines may be revised and amended at any time by the Reviewer, in its sole discretion.**

(b) The Reviewer may, from time to time, publish and promulgate landscape guidelines (the "Landscape Guidelines"). The Landscape Guidelines shall be explanatory and illustrative of the general intent of the landscaping of the Property and are intended as a guide to assist Owners in preparing and submitting applications, plans, specifications, and supporting information for proposed

Improvements and as a reference to assist the Reviewer in reviewing applications, plans, specifications, and supporting information for proposed Improvements. The Landscape Guidelines may set out, among other things, the procedures for submission, review and approval of landscape plans and specifications to the Reviewer. In addition, the Landscape Guidelines may establish approved standards, methods and procedures for landscaping, landscape management and landscape maintenance in the Property, including removal of trees. **To the extent standards, requirements, methods, and procedures are established in the Landscape Guidelines, they shall be binding upon and must be complied with by all Owners and their contractors and sub-contractors and shall be assumed to be incorporated into any written approval issued pursuant to the provisions of this Article unless expressly varied in writing by the Reviewer. The Landscape Guidelines may be revised and amended at any time by the Reviewer, in its sole discretion.**

(c) The Reviewer is also hereby authorized to publish and promulgate from time to time, and to revise and amend at any time, in its sole discretion, construction and/or installation rules to be followed by all Owners, contractors and installers performing work or constructing or installing Improvements (including landscape Improvements) on the Property.

(d) The Architectural Guidelines, the Landscape Guidelines and the construction and installation rules shall herein collectively be referred to as the "Architectural and Landscape Guidelines" or the "Guidelines." The Reviewer may issue and amend the Architectural and Landscape Guidelines from time to time and may publish and promulgate different Architectural and Landscape Guidelines for different Phases, sections, or portions of the Property. **The Guidelines shall be recorded as required by South Carolina law.**

Section 9.5 Definition of "Improvements". The terms "Improvement" or "Improvements" shall mean and include the Townhome and any and all changes or additions that are made to a Lot or that are attached or affixed to a Lot, including, without limitation: (i) all structures and buildings (including any exterior devices attached to or separate from buildings, such as heating and air conditioning equipment, exterior security devices, solar heating and collection devices, etc.); (ii) exterior lights and illumination; (iii) roofed structures; (iv) parking or paved areas; (v) fences, including "invisible" fencing; (vi) pet "runs," lines and similar tethers or enclosures; (vii) walls; (viii) irrigation equipment, apparatus and systems; (ix) landscaping (including cutting or removal of trees), gardens, hedges and mass plantings; (x) poles; (xi) driveways; (xii) ponds, lakes and other water features; (xiii) changes in grade or slope; (xiv) site preparation; (xv) swimming pools, hot tubs and Jacuzzis; (xvi) recreation equipment including, without limitation, tennis courts, tree houses, basketball goals, skateboard ramps and other sports or play apparatus; (xvii) signs, flags and banners, and the poles and structures from which they are hung or flown; (xviii) yard art, exterior sculpture or fountains; and (xix) changes in any exterior color, design or shape. Antennae and satellite dishes one meter or less in diameter are specifically made subject to regulation and restriction to the fullest extent permitted under the Telecommunications Act of 1996, as amended. The forgoing definition includes both original Improvement(s) and all later changes or additions to Improvement(s). The definition does not, however, include the replacement or repair of Improvement(s) previously approved by the Reviewer, provided that such replacement or repair does not change any exterior color, material, design, or appearance from that which was previously approved by the Reviewer.

Section 9.6 Enforcement/Construction Compliance Deposit.

(a) The architectural control provisions contained in this Article (or in any Supplemental Declaration(s), if any) are to facilitate control of the architectural design, construction, installation and placement of all Improvements and landscaping, to establish quality standards for construction, installation, and related activity in the Project, and to help preserve property values within the Project. All Owners, by purchasing property subject to this Declaration, acknowledge that a violation of any such provisions could result in irreparable harm and damage to other Owners of property in the Project and to Declarant, and to the values of their respective properties in the Project, a monetary measure of which harm and damage would be difficult to establish. Accordingly, the Association shall have the specific right (but not the obligation) to enforce and/or to prevent any violation of the provisions contained in this **Article IX** and to enforce rulings and decisions of the Reviewer by a proceeding at law and/or in equity against the person or persons violating or attempting to violate any such provision, ruling or decision and/or through an administrative action as permitted under **Article XIV** hereof, including the possible imposition of fines or suspension of rights and/or privileges. Declarant hereby specifically reserves and grants unto the Reviewer, the Board and any agent or member thereof, the right of entry and inspection upon any portion of the Property for the purpose of determining whether there exists any Improvement which is not approved or which violates the terms of any approval given by the Reviewer, the terms of the Architectural and Landscape Guidelines or the Project Documents.

(b) The Reviewer may require Owners to deliver a Construction Compliance Deposit to the Association in an amount up to but not exceeding Two Thousand Five Hundred Dollars (\$2,500.00) to secure and ensure compliance by such Owner with the Project Documents, the conditions and stipulations set forth in any approval given, the Architectural and Landscape Guidelines and all applicable laws, ordinances, regulations, and other governmental requirements. In the event of a violation or breach of any of the forgoing, the Association may apply all or part of the Construction Compliance Deposit to compensate the Association for any loss or damage sustained, to reimburse the Association for any expense incurred (including, without limitation, expenses for Roadway repair under **Section 11.12**), and to pay any duly levied fine(s) or to pay assessments under **Section 5.5**. The Owner posting the deposit shall be notified of the Association's application of any portion of the deposit as permitted herein. Any unapplied portion of the deposit remaining at the time construction is fully complete and all requirements have been fully satisfied shall be returned to the person or entity from whom it was received.

(c) As to any nonconforming or unapproved Improvements, the Association may require any Owner to restore such Owner's Lot and/or Improvements to the condition existing prior to the construction or installation thereof (including, without limitation, the demolition and removal of any unapproved Improvements) if such Improvements were commenced or constructed in violation of this Article. In addition, the Association may, but has no obligation to, cause such restoration, demolition, and removal to be performed and to levy the amount of the cost thereof as a Special Individual Assessment against the Lot or portion of the Property upon which such unapproved or nonconforming Improvements were commenced or constructed. In the event that it becomes necessary for the Association to file a civil action or to resort to any private dispute resolution process, to determine the propriety of any constructed Improvement, to remove any unapproved Improvement or otherwise to remedy any violation of this Article, the Association shall be entitled to recover any court costs, attorneys' fees and expenses incurred by the Association and/or the Reviewer in connection therewith, which costs, fees and expenses may be levied as a Special Individual Assessment against the Lot or other portion of the Property upon which such Improvement was commenced or constructed.

Section 9.7 Failure of Reviewer to Act. WRITTEN APPROVAL AS SPECIFIED IN THIS ARTICLE SHALL BE REQUIRED IN EVERY CASE. No failure or delay by the Reviewer to approve or disapprove any plans and specifications and other submittals or to reject them as being inadequate or unacceptable shall be deemed or construed to be an acceptance or approval thereof. No verbal or oral statement or representation by any person or entity shall bind the Board, the Association, or the Reviewer. Further, the Reviewer has no right or power to waive or grant any variances relating to any Use Restrictions in Article XI or other mandatory requirements specified in this Declaration or any Supplemental Declaration, if any. If plans and specifications or other submittals are not sufficiently complete or are otherwise inadequate, the Reviewer may take no action with respect to the same or may reject them as being inadequate or may approve or disapprove them in part, either conditionally or unconditionally, and reject or approve the balance.

Section 9.8 Variances. Subject to the limitations set forth herein and in the preceding section and upon submission of a written request, the Reviewer may, from time to time and in its sole and unfettered discretion, permit Owners to construct, erect or install Improvements which are at variance with architectural or landscaping requirements or provisions that might be otherwise applicable. In any case, however, such variances shall be in basic conformity with and shall blend effectively with the general architectural style and design of the community and shall not materially change the scheme of standards, restrictions and requirements herein set forth. A written request for a variance shall be deemed to be disapproved unless and until the Reviewer has expressly approved the request in writing. Neither the Reviewer nor any member or agent thereof shall be liable to any Owner for any claims, causes of action, or damages arising out of the grant or denial of any variance to any Owner. Each request for a variance submitted hereunder shall be reviewed separately and apart from all other such requests. The action of or decision by the Reviewer with respect to any variance request shall not estop or prevent the Reviewer from taking different action or rendering a different decision on any variance request subsequently received. The grant of a variance to any Owner shall not constitute a waiver of the Reviewer's right to strictly enforce any covenant, restriction and/or standard against any other Owner. **Nothing herein shall authorize the Reviewer to grant a variance with respect to the Use Restrictions set forth in Article XI or other mandatory requirements specified in this Declaration or any Supplemental Declaration, if any.**

Section 9.9 Limitation of Liability. Neither the Reviewer nor any member or agent thereof shall be liable for any claims, causes of action or damages (except where occasioned by willful misconduct of such Member) arising out of services performed or decisions made pursuant to this **Article IX**. Neither the Reviewer, nor the members thereof, nor the Association, nor Declarant, nor any officers, directors, members, employees, agents or affiliates of any of them, shall be liable for damages or otherwise to anyone submitting plans and specifications and other submittals for approval or to any Owner by reason of mistake of judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval of, or the failure to approve or disapprove, any plans and specifications. The approval of plans and specifications by the Reviewer shall not be deemed or construed as a representation or warranty of the Reviewer, the Association, the Declarant, or any officer, director, member, employee, agent or affiliate of any of them, (i) that Improvements constructed in accordance with such plans and specifications will comply with applicable zoning ordinances, building codes, or other governmental or quasi-governmental laws, ordinances, rules and regulations or (ii) as to the structural soundness, quality, durability, suitability, safety, fitness or proper functioning of Improvements constructed in accordance with such plans and specifications, and any responsibility or liability therefor is hereby expressly disclaimed. Every person who submits plans and specifications, and every Owner, agrees that he will not bring any action or suit against Declarant, the

Association, the Reviewer, the Board, or the officers, directors, members, employees, agents or affiliates of any of them, to recover any such damages and hereby releases, waives, and quitclaims all claims, demands and causes of action arising out of or in connection with any judgment, negligence or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands and causes of action not known at the time the release is given. Declarant shall be the sole party responsible for the performance of Declarant's obligations under this Declaration, and no other person, firm, or entity, including, without limitation, any entity affiliated with Declarant, shall have any obligation or liability for Declarant's obligations under this Declaration.

ARTICLE X

Further, the Association may grant such permits, licenses, and easements over the Common Elements for utilities, roads, and other purposes reasonably necessary or useful in the discretion of the Board for the purpose of maintenance and operation of the Project. Notwithstanding the foregoing, no sewer lines, electrical lines, water lines or other utilities may be installed or relocated on the Property except as initially approved by Declarant or thereafter approved by Declarant or the Board.

Section 10.9 Right of Access. In addition, Declarant and Builder and shall have an easement over the entire Property for the purpose of complying with the requirements, rules, or regulations of any federal, state or local government office, entity, board or agency, including, without limitation, any requirement that the land or any structures, improvements or obstructions located thereon be constructed, reconfigured, altered or removed. To the extent the Declarant or any Builder exercises the rights and authority reserved herein, such Declarant or Builder shall not be liable to the Association, any Owner or any other person or entity for trespass, conversion or based on any other legal claim or theory. ARTICLE XI

USE RESTRICTIONS

Section 11.1 Residential Use Only. Each Owner shall use his Lot for residential purposes only and shall not permit his Lot to be used in any unlawful manner. The maximum number of residents for any Lot shall not exceed any maximum that applies to the Lot pursuant to any applicable governmental requirement, regulation, ordinance, or statute. For purposes of this Section, a person shall be presumed to be a "resident" in the Lot if they occupy the Lot overnight for ten (10) consecutive days or for fourteen (14) days during any sixty (60) day period. Residency may otherwise be established by the Board by the totality of the circumstances. To the extent permitted by law, any Owner may use his Lot as a home office, provided, however, that such home office use (a) shall be ancillary to the residential use of the Lot, (b) does not generate any additional pedestrian or vehicular traffic to or from any Lot or the Common Elements, and (c) does not cause any disturbance of other Owners, residents or Occupants of the Property. In addition, Declarant and Builder shall have the right to use any portion of the Property as a sales office, construction of fice, storage areas, model Lot, or similar facility in connection with development of the Property during the Declarant Control Period.

Without limiting the foregoing, no Lot or any portion of the Property shall be used for or as a "Residential Institution" except to the extent such use is expressly required to be allowed by law. For purposes of this paragraph, a "Residential Institution" shall mean and refer to a nursing home, child care center, boarding house, "half-way house," dependent living facility, adult care center, adult care home, family child care home, group home, residential day care, house of detention, reform school, asylum, or institution of a kindred character, or any structure to house, provide a residence for, or be occupied by three or more persons, unrelated by blood, marriage or adoption on a temporary or permanent basis.

Section 11.2 No Fly Zone. The operation of Unmanned Aircraft Systems (UAS) and Unmanned Aerial Vehicles (UAV), commonly known as drones, is prohibited anywhere within the Property and within the air space above the Property from the surface to 500 feet above ground level ("No Fly Zone"). No person or entity shall launch, land or fly any UAS or UAV within the No Fly Zone nor shall any person or entity use a UAS or UAV for the purpose of photographing or surveillance of any person without that person's written permission. No person shall request or solicit a UAS or UAV flight into or within the Property for any purpose, including the delivery of goods or services. Each separate flight and each photograph taken without authorization shall constitute a separate violation of this section. Notwithstanding the foregoing, the Board of Directors may establish and amend rules and regulations regarding UAS and UAV operations within the No Fly Zone and/or

issue general or specific licenses to Members, Occupants, guests or outsiders allowing UAS and UAV operations within the No Fly Zone established herein.

Section 11.3 Care and Maintenance. Each Owner shall: (a) maintain the Lot, the Townhome and all improvements thereon as required by **Section 8.2**; (b) permit no unsafe, unsanitary or hazardous conditions in or on his Townhome and Lot; (c) comply with any and all obligations imposed upon Owners by applicable building and housing codes; and (d) neither deliberately nor negligently destroy, deface, damage or remove any part of any Townhome or Lot or the Common Elements, or knowingly permit any person to do so. If an Owner fails to comply with the standards or requirements of the Association relative to maintenance after written notice to do so, the Association shall have the right to undertake the necessary maintenance or repairs at the expense of the defaulting Owner, as provided in **Section 8.2**. For purposes of this section, "Lot" shall include all easements granted to or reserved for the Declarant or the Association during any period that neither the Declarant nor the Association are using them or exercising their rights in or over them.

Section 11.4. Antennas/Satellite Dishes. No outside radio or transmission tower or receiving antenna, including a satellite dish antenna, and no outdoor television antenna or satellite dish may be erected or installed on the Common Elements under any circumstances or by an Owner on a Lot without the prior approval of the Board or the Reviewer. To the extent antennas or dishes are allowed by law, the Association reserves the right to approve, regulate and require screening to the fullest extent the law allows. In the event the erection or installation of any dish or device damages or otherwise requires maintenance or repair to any portion of the Lot or Townhome that the Association is responsible to maintain, the Association may require the Owner to properly repair and restore the affected area or, in the alternative, the Association may itself provide for the repair or maintenance of the affected area and recover all of the costs and expenses thereof from the Owner as a Special Individual Assessment.

Section 11.5 Exterior Lighting. Exterior lighting on Lots shall be subject to the applicable requirements and limitations in the Guidelines. Night lighting of recreational facilities on Lots is not permitted except to the extent expressly allowed by the Reviewer. All exterior lighting that is approved shall be configured, positioned and directed (i) so that bulbs are not visible from any point outside the boundaries of the Lot where the lighting is installed, and (ii) so that they do not cast light beyond the boundaries of the Lot where the lighting is installed.

Section 11.6 Fences and Walls. No fence or wall shall be erected, placed, or maintained on any Lot except as approved by the Reviewer under **Article IX** and all approved fences and walls must match the party fencing and walls originally installed by the Declarant or Builder in terms of height, materials, style and color. No fence or wall shall be erected, placed, or installed in any location or manner that impacts, impedes, or hinders the flow of surface water. SPLIT RAIL FENCING, CHAIN LINK FENCING, SHADOWBOX FENCING, AND PICKET FENCING ARE PROHIBITED. All fences and walls shall be maintained in a structurally sound and attractive manner and in compliance with the CWS. No fence or wall shall be erected on any Lot until the Reviewer under **Article IX** has given its prior written approval of the color, size, design, materials and location for such fence or wall. No fence or wall shall hinder or obstruct the Association's access to any adjacent Lot for the purpose of meeting the Association's maintenance obligations under this Declaration. All gate openings shall be at least fifty-four inches (54") inches wide in order to accommodate commercial mowing and landscaping equipment, and all gates shall be left unlocked and unobstructed on days which are designated for lawn maintenance by the Association. To the extent that any Lot Owner fails to leave

their gate unlocked and unobstructed on days designated for lawn maintenance by the Association, such maintenance shall not be provided by the Association and there shall be no reduction in the Assessments levied against such Lot.

Section 11.7 Mail and Newspaper Boxes; Townhome Numbers. The Declarant, in its sole discretion, may require that mail will be distributed in the community using shared, cluster mailboxes. The design, type, appearance, and location of the shared, cluster mailboxes shall be as specified and approved by the Declarant. The design, type, appearance and location of mailboxes and newspaper boxes on Lots adjacent to the Roadway (if approved and allowed by the Declarant) must be approved in writing by the Reviewer under **Article IX**. Townhome numbers may be displayed on the Townhome only as approved by the Reviewer under **Article IX**.

Section 11.8 Zoning Standards. All Owners shall comply with all zoning standards and regulations including all standards and conditions applicable to the Property, which are incorporated by reference herein.

Section 11.9 Restricted Activities in Common Elements. There shall be no disturbance or obstruction of, nor any cutting of vegetation, dumping, digging, filling, destruction, or other waste upon the Common Elements. Nor shall anything be kept, stored, altered, constructed, planted, or removed therein without the prior written consent of the Declarant during the Declarant Control Period or the consent of the Board thereafter. The Declarant, Association and all Owners shall strictly comply with any applicable restrictions or regulations that require portions of the Property to remain undisturbed or that subject any portion thereof to tree preservation, BMP and buffer requirements prohibiting or restricting any activities within those areas. Each Owner shall be liable to the Association and/or Declarant for any damage to any Common Elements caused by the negligence or willful misconduct of the Owner or his family, tenants, guests, agents, employees, or invitees. Provided, however, the provisions in this paragraph shall not apply to Declarant or any Builder in connection with Declarant's development or construction activities on the Property or to the Association in connection with Association's activities in discharging its duties and responsibilities.

Section 11.10 Recreational and Other Equipment. No recreational equipment including, but not limited to, basketball backboards and hoops, swing sets, tree houses, children's climbing or play apparatus and other equipment associated with either adult or juvenile leisure or recreation shall be attached to the exterior of any Townhome or otherwise placed or kept on any Lot, except in the Rear Yard and as approved by the Reviewer. Provided, however, that non-portable (i.e., permanent or fixed) basketball goals, backboards and hoops may be placed/installed at other locations if and as allowed in the Guidelines or by the Reviewer. All basketball poles, goals, backboards and hoops must be permanent and affixed to the ground in an approved location. Moveable or portable basketball poles, goals, backboards and hoops and all trampolines of any type are expressly prohibited. Children's play toys and other moveable equipment of any type (such as lawn mowers, garden tools, etc.) shall be kept in the garage or the Rear Yard except when in use. Notwithstanding any of the foregoing, all recreational equipment shall be screened so as not to be visible from any Roadway, and all screening used must be approved by the Reviewer.

Section 11.11 Vehicles, Parking and Storage.

(a) Trailers, recreational vehicles ("RVs"), motor homes, vehicles with enclosed bodies of the type which may be placed on or attached to a vehicle (known generally as "campers"), commercial

vehicles of any kind (as defined by the Board of Directors from time to time in the Association's rules and regulations), boats and boat trailers are not permitted on any Lot or any other portion of the Property at any time. No vehicle of any type which is unlicensed, without a current inspection, abandoned, inoperative or unsightly as determined by the Board of Directors, in its sole and absolute discretion, shall be parked, stored or kept on any Lot or elsewhere within the Property.

(b) No vehicles of any type shall be parked, placed, or stored on any part of a Lot except inside a garage or on the driveway serving the Lot. Garage doors shall remain closed except when opened to allow a vehicle to enter or exit the garage.

(c) No vehicles or other mechanical equipment may be repaired, dismantled, or serviced on any Lot.

(d) No vehicles of any type shall be parked on the Common Elements, including any street or alley that is a part thereof or is adjacent thereto, except as may be permitted in writing by the Board or in the Association's rules and regulations.

(e) No construction office trailers may be placed, erected, or allowed to remain on any Lots during construction, except as approved in writing by the Reviewer under **Article IX**. Other construction vehicles (trucks, vans, cars, construction equipment, equipment trailers, etc.) may be parked or placed on the Property (including any Lot or Roadway) only in accordance with such rules as may be established by the Board.

(f) Unlicensed, non-electric equipment or vehicles shall not be operated on the Property; provided, however, lawnmowers, lawn equipment and lawn and garden tractors are permitted. Owner shall provide the Association, upon request, with documentation verifying the licensing of non-electric vehicles or equipment.

(g) Association shall have the right to tow, disable, or remove any vehicle, trailer, or equipment of any type which is parked, stored, or kept in violation of this section without notice or warning.

(h) Notwithstanding anything else to the contrary, the provisions of this section shall not apply to Declarant nor to any Builder nor to any contractors, subcontractors, vendors, suppliers, or other persons present on the Property at the request of or to provide services for the benefit of the Declarant, any Builder or the Association.

Section 11.12 Restricted Activities in Roadways. No Owner shall alter any portion of a Roadway or place anything within a Roadway. Any changes made shall be corrected and any items placed, constructed, or installed in violation of this section shall be removed immediately at the request of the Declarant or the Association. All costs and expenses incurred by the Declarant or the Association as a result of a violation of this section by any Owner shall be charged to that Owner as a Special Individual Assessment.

Section 11.13 Restricted Activities in Easements. No structure, planting or other material shall be placed or permitted to remain in, upon, or within any easement shown on the Plat or provided for in **Article X** that could (i) damage or interfere with the installation, operation, maintenance or use of utilities or improvements located thereon; (ii) change the direction or flow of drainage channels; (iii)

retard, obstruct or reverse the flow of water; alter or interfere with an established slope ratios; or (iv) create erosion within any easement shown on the Plat or provided for in **Article X**. All costs and expenses incurred by the Declarant or the Association as a result of a violation of this section by any Owner shall be charged to that Owner as a Special Individual Assessment. This reservation of easements shall not prohibit the construction of driveways, at locations approved by the Reviewer under **Article IX**, over such easements.

Section 11.14 Offensive Activity and Nuisance. No unlawful, noxious or offensive trade or activity shall be conducted upon any Lot, or in the Common Elements, nor shall anything be done thereon which may be or become an annoyance or nuisance to any other Owner as determined by the Board of Directors, in its sole and absolute discretion, or which may endanger the health or safety of any Owner or other person on the Property. The Board may more specifically regulate, restrict, or prohibit such conduct by and through rules and regulations adopted as provided in **Section 11.24**.

Section 11.15 Noise and Disorderly Conduct. No Owner shall engage in any disorderly conduct on the Property, or cause or allow any disturbance, including, but not limited to, shouting, singing, or playing any musical instruments, radio, stereo, or television, in a manner that unreasonably disturbs any other Owner. The Board may more specifically regulate, restrict, or prohibit such conduct by and through rules and regulations adopted as provided in **Section 11.24**.

Section 11.16 Rubbish. All rubbish, trash, garbage, junk, and other waste shall be kept temporarily in sanitary containers within each Lot and removed at least weekly from the Property. All trash containers or other equipment for storage or disposal of such waste shall be kept in a clean, odor-free and sanitary condition and shall be located so as to be concealed from view from any Roadway or Townhome except on the days and during the periods established by the Board from time to time when containers may be moved to a designated location for pickup. In no event shall any trash container be allowed to remain in the location designated for pick-up more than 24 hours before or 24 hours after the scheduled pick-up date.

Section 11.17 Animals. No animals shall be kept or maintained in any Lot or Townhome except for domesticated dogs or domesticated cats or household pets that are kept and maintained inside the Townhome at all times and not more than three (3) such animals shall be present, kept or maintained on any Lot at any time ("Pets"). No Pets may be kept or bred for any commercial purposes. Pit bulls, pit bull mix animals and rottweilers are prohibited and may not be present or kept on the Property at any time. No savage or dangerous Pets, as determined by the Board in its sole discretion, may be present or kept on the Property. All permitted Pets shall be controlled so as not to create noise that is audible on the Property and outside the Lot where the permitted pet is kept between the hours of 9 p.m. and 7 a.m. All Pets must be housed inside a Lot, and no pet shall be permitted or found on the Property (other than on the Lot of its owner) unless carried or leashed by a person that can and does physically control the pet. Pets shall not be permitted to defecate other than on the Lot of its Owner, or urinate on the shrubbery, and each Owner shall clean up immediately after his pet if an accident occurs. All Pets shall be registered, licensed, and inoculated as required by law. Each Owner shall indemnify and hold the Association harmless from any claim or costs, including reasonable attorney's fees, resulting from any action of his pet, and shall repair at his expense any damage to the Property caused by his pet. If any Owner violates these rules more than twice in any twelve (12) month period, the Association shall have the right to require the Owner to remove the pet permanently from the Property upon not less than ten (10) days' written notice, which remedy shall be in addition to all other rights or remedies.

Section 11.18 Signs and Flags. No signs of any kind, including political signs, shall be placed, or displayed in the public view on any Lot or on the Common Elements except signs expressly permitted in the Architectural Guidelines or otherwise approved in writing by the Reviewer. No flags, banners, or pennants of any kind, including the flag of the United States of America or the State of South Carolina, shall be placed, flown, or displayed in the public view on any Lot or on the Common Elements except as expressly permitted in the Architectural Guidelines or otherwise approved in writing by the Reviewer; provided, however, the display of the flag of the United States of America may be restricted and limited only as permitted in the Freedom to Display the American Flag Act of 2005 and S.C. Code §27-1-60. The provisions of this Section shall not prevent the placement of signs and/or flags identifying the Project at any entrance to the Project, nor shall it prevent Declarant, any Builder or any of their respective agents from placing signs or flags to advertise the Property, including signs or flags on the Common Elements and on any Lot owned by the Declarant or any Builder. **Signs or flags placed or displayed in violation of this Section may be removed and destroyed without notice by Declarant and/or the Association.**

Section 11.19 Clotheslines. No outdoor clothesline or clothes drying structure or equipment of any type shall be placed, used, or allowed to remain on any Lot.

Section 11.20 Leases and Renting. For purposes of this Declaration, a Lot shall be deemed “leased” if any occupant pays or provides money or other consideration of any type in exchange for permission to occupy all or any part of a Lot, for any period of time, regardless of whether the arrangement is characterized as a “lease,” “rental,” “license,” or any other legal relationship between the Lot Owner and occupant.

Any lease of a Lot and Townhome thereon shall be for the entire Lot and Townhome and not a portion thereof, shall be in writing, shall identify the lessee and all permitted occupants, shall provide that the lease, the lessee and all occupants of the Lot shall be subject in all respects to the Project Documents, and shall provide that any failure by the lessee (or any occupant or other person present on the Lot with lessee’s knowledge or consent) to comply with all of the terms of the Project Documents shall constitute a default under the lease. In the event of a violation of the Project Documents by any such person (whether the lessee or any of his guests or invitees), the Association may require the Owner to terminate the lease and to immediately evict or remove the lessee and all violators. Fines and sanctions imposed for violations of the Project Documents shall be the responsibility of the Owner and all lessees, jointly and severally. No Lot may be leased for a period shorter than one hundred eighty (180) days and no lease may be executed sooner than 180 days after the execution of any prior lease. A copy of every lease shall be provided to the Association. TIME SHARING, INTERVAL OWNERSHIP AND ALL OTHER FORMS OF FRACTIONAL OWNERSHIP ARE HEREBY EXPRESSLY PROHIBITED.

Provided, however, and notwithstanding any inconsistent or contrary provision in this Declaration, that if any Lot is affected by a loan insured by or through any governmental entity, including, without limitation, HUD, FHA, the VA or USDA, and only for so long as any such loan(s) affect the Lot, any restrictions in this Declaration on renting, subleasing, or reconveyance which violate any requirement of any such governmental entity shall not apply to such Lot or its Owner.

Section 11.21 Governmental Requirements. Nothing herein contained shall be deemed to constitute a waiver of any governmental requirements applicable to any Lot and all applicable

governmental requirements or restrictions relative to the construction of improvements on and/or use and utilization of any Lot shall be applicable and complied with in regard to the Lots. Each Owner, Occupant, guest, or other person present on the Property shall comply with all applicable laws, regulations, ordinances and other governmental rules and restrictions at all times. Without limiting the generality of the foregoing, the use of and activities upon areas designated as undisturbed natural areas, tree save areas, revegetated natural areas, or BMP (wet pond) are limited, restricted and in some cases, prohibited by law, regulations and ordinances with which all Owners must comply.

Section 11.22 Occupants and Guests Bound. All provisions of this Declaration, any Supplemental Declaration and the Bylaws and any and all rules and regulations, use restrictions or Architectural and Landscape Guidelines promulgated pursuant hereto or thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants and guests even though Occupants and guests are not specifically mentioned.

Section 11.23 Plat Notes, Restrictions and Requirements. All notes, restrictions, requirements, and limitations shown on the Plat are incorporated herein by reference. To the extent that anything shown on the Plat conflicts with any express provision in this Declaration, the provision in this Declaration shall control.

Section 11.24 Rules and Regulations. In addition to the restrictions set forth in this **Article XI**, reasonable rules and regulations governing the use of the Property may be made and amended from time to time by the Board without further approval until the Declarant Control Period terminates. After the termination of the Declarant Control Period, rules and regulations made by the Board and all amendments thereto shall not be effective unless and until they are approved by a majority vote of those Members present and voting in person or by proxy at a duly called meeting. Rules and regulations adopted as allowed herein may relate to and regulate subjects, issues, activities, and conditions that are addressed in other provisions of this Declaration, including, without limitation, this **Article XI**, and may be more restrictive than those provisions. Copies of all such rules and regulations and any amendments thereto shall be published prior to their effective date and shall be furnished by the Association to Members upon request. **Declarant and Builder(s) shall be exempt from any Rules and Regulations which are adopted pursuant to this section.**

Section 11.25 Enforcement. The Association or its agent shall have the right to enforce the provisions of this **Article XI**, including Rules and Regulations adopted pursuant to **Section 11.24** in any manner permitted by law, including, as provided in **Article XIV**.

Section 11.26 Declarant and Builder Activities Exempt. Notwithstanding any provision in this Declaration to the contrary and until the expiration or termination of the Declarant Control Period:

(a) Declarant, Builder(s) and their respective contractors, agents, and licensees may construct and maintain upon portions of the Common Elements and upon any Lot owned by such Declarant or Builder such facilities and may conduct such events and other activities which Declarant or Builder, in its sole discretion and opinion, deems reasonably required, convenient, or incidental to the construction or sale of Townhomes upon the Lots, including, but not limited to, business offices, signs, model homes, and sales offices. Declarant, Builder(s) and/or their respective contractors, agents, and licensees have an easement over and across the Common Elements for access and use of such facilities at no charge.

(b) Declarant and Builder(s) are entitled to conduct on the Property all activities normally associated with, and convenient to the development of the Property and the construction and sale of Townhomes on the Property.

ARTICLE XII

AMENDMENT OF DECLARATION

Section 12.1 Amendment Generally. Except as is otherwise specifically authorized herein, and subject to Section 12.3 below, this Declaration may be amended only by the affirmative vote of or written agreement signed by Owners of the Lots to which at least sixty-seven (67%) percent of the votes in the Association are allocated, provided, however, that no amendment shall be effective without Declarant's written consent thereto for so long as the Declarant owns any portion of the Property. No amendment to the Declaration shall be effective unless and until it is executed on behalf of the Association by any officer designated for that purpose and recorded in the County public registry.

Notwithstanding the forgoing or any other provision contained in this Declaration and regardless of whether the amendment occurs during or after the Declarant Control Period, the Declarant's written consent shall be required for any amendment that proposes to change, modify, reduce, or eliminate any right, power or privilege granted to or reserved for the benefit of the Declarant or any Declarant Affiliate in this Declaration, and no such amendment shall be effective without Declarant's written consent thereto.

Section 12.2 Amendment of Declaration Without Approval of Owners. During the Declarant Control Period, and subject to Section 12.3 below, Declarant shall have the right to amend, modify, or delete terms or provisions from, or add new terms and provisions to this Declaration unilaterally and for any reason, without the consent or approval of any other Owner or other person or entity and without the consent, joinder or approval of any Association officer or director.

Section 12.3 Builder Consent to Amendment. Notwithstanding anything else to the contrary, this Declaration may not be amended without Builder's written consent for so long as such Builder owns or has the contractual right or obligation to purchase any portion of the Property. Furthermore, no amendment which proposes to change, modify, reduce, or eliminate any right, power or privilege granted to or reserved for the benefit of any Builder shall be effective without the prior written consent of such Builder.

Section 12.4 Changes to Plans for the Project. Nothing contained herein shall be deemed to incorporate, by reference or otherwise, any plans or proposals promulgated by Declarant with respect to the development of the Project, and Declarant, subject to the covenants, conditions and restrictions contained in this Declaration, reserves the right to change any plans for the Project at any time and from time to time as Declarant may determine is necessary based upon Declarant's continuing research and design program and/or market conditions. Any plans for the Project shall not bind Declarant or its successors and assigns to adhere to such plans in the development of the Property or any part thereof. In addition, Declarant reserves the right to change, from time to time, the uses and densities that exist on any portion(s) of the Property owned by Declarant. Without limiting the generality of the forgoing, and notwithstanding anything else to the contrary, the Declarant shall not be

required to build, construct, or provide any amenity or amenity areas. As long as any Builder owns any portion of the Property, there shall be no changes to (i) the plans for the Property, or (ii) the uses and densities that exist on any portion(s) of the Property, without such Builder's prior written consent thereto.

ARTICLE XIII

TREMINATION, DURATION AND CONDEMNATION

Section 13.1 Termination. This Declaration may be terminated only by agreement of Owners of Lots to which at least eighty (80%) percent of the votes in the Association are allocated and during the Declarant Control Period, with the consent of Declarant and any Builder owning any portion of the Property.

Section 13.2 Duration. This Declaration and the controls, covenants, restrictions and standards set forth herein shall run with and bind the Property and any Owner, and shall inure to the benefit of every Owner of a Lot in the Property and every Owner of any other portion of the Property, including Declarant, and their respective heirs, successors, and assigns, for a term of thirty (30) years beginning on the date this Declaration is recorded in the County public registry. At the end of such thirty (30) year period, all of the easements, controls, covenants, conditions and restrictions set forth herein shall automatically be extended for successive period(s) of ten (10) additional years, unless prior to the expiration of any such period, the Declaration is terminated as provided in **Section 13.1** above. The foregoing shall not limit the right of Declarant to amend and/or supersede, in whole or in part, the terms and provisions hereof, as such right in favor of Declarant is provided for in this Declaration.

Section 13.3 Condemnation. Whenever all or part of the Common Elements shall be taken or condemned by any authority having the power of eminent domain, all compensation, and damages for and on account of such taking shall be paid to the Association. The Association, acting through the Board, shall have the right to negotiate and litigate the issues with respect to the taking and compensation affecting the Common Elements, without limiting the right of the Owners to represent their own interests. Each Owner, by his acceptance of a deed to a Lot or other portion of the Property, hereby appoints the Association as his attorney-in-fact to negotiate, litigate or settle on his behalf all claims arising from the condemnation of the Common Elements. All compensation and damages paid to the Association on account of such a taking shall be used to restore the Common Elements, provided such restoration is possible, with the excess of such compensation or damages, if any, retained by the Association and applied to future operating expenses by the Board, in its sole discretion. Nothing herein contained shall prevent any Owner whose Lot or other property is specifically affected by the taking or condemnation from joining in the condemnation proceedings and petitioning on his own behalf for consequential damages relating to loss of value of the affected Lot, or other property, or improvements, fixtures or personal property thereon, exclusive of damages relating to the Common Elements. In the event that the condemnation award does not allocate consequential damages to specific Owners, but by its terms includes an award for reduction in value of Common Elements, Lots or other property without such allocation, the award shall be divided between or among affected Owners and the Association by the Board, in its sole discretion.

ARTICLE XIV

ENFORCEMENT RIGHTS, REMEDIES, REQUIREMENTS AND PROCEDURES

Section 14.1 Enforcement. Declarant, Builder, Association, and the Owner of each Lot, by acceptance of a deed therefor, is deemed to covenant and agree that any controversy, claim or dispute arising out of or relating to the Project, the Association or any provision of the Project Documents, or any breach or violation thereof may be enforced by any means allowed under South Carolina law (“Enforcement Action”) and each has standing to seek and pursue Enforcement Action subject to the enforcement requirements and limitations set forth in this Article.

Notwithstanding any other provisions contained in this Declaration, the Declarant shall have legal standing to file suit and a direct right of enforcement against the Association and/or any Owner or Owners to enforce any of the covenants, conditions, terms and provisions of this Declaration and may do so without the consent, joinder or approval of any other person or entity. The enforcement rights reserved herein shall terminate and expire three (3) years after the termination of the Declarant Control Period.

In addition to enforcement as provided above, the Association may, after notice and an opportunity to be heard, impose reasonable fines or suspend voting rights, privileges and/or services provided by the Association (except rights of access to Lots) for reasonable periods for any violation of the Project Documents, including rules and regulations adopted pursuant to **Section 11.26**. A hearing shall be held before the Board or an adjudicatory panel appointed by the Board to determine if any Owner should be fined and/or if privileges or services should be suspended. The Owner alleged to be in violation shall be given notice of the charge, an opportunity to be heard and to present evidence, and notice of the decision. The Board shall adopt and publish a schedule of the possible fines or ranges of fines that may be imposed for various violations or categories or classes of violations. If it is decided that a fine should be imposed, a fine in accordance with the schedule adopted and published by the Board may be imposed for each violation found and without further hearing, for each day more than five (5) days after the decision that the same violation occurs. Fines imposed shall be treated and collectible as assessments under **Sections 5.5 and 5.7**. If it is decided that privileges or services should be suspended, the suspension may be continued without further hearing until the violation is cured. If a matter is heard and decided by an adjudicatory panel, the Lot Owner may appeal the decision of the adjudicatory panel to the Board by delivering written notice of appeal to the Board within fifteen (15) days after the date of the decision. The Board may affirm, vacate, or modify the prior decision of the adjudicatory panel. The administrative enforcement procedures described in this paragraph shall not constitute an Enforcement Action and are not subject to the approval requirements described in Section 14.2 below.

Section 14.2 Owner Approval of Enforcement Action by the Association. No Enforcement Action shall be initiated by the Association unless Owners entitled to cast seventy-five percent (75%) of the total votes in the Association approve the initiation and prosecution of the Enforcement Action in writing and advance, except that no such approval shall be required for actions or proceedings: (a) initiated with the consent of the Declarant during the Declarant Control Period; (b) initiated by the Association against Owners to enforce the Project Documents, including, without limitation, the Use Restrictions contained in **Article XI** and the Rules and Regulations, (c) to collect assessments, fines or other sums due to the Association or to foreclose liens securing repayment of

those sums due; (d) initiated to challenge ad valorem taxation or condemnation proceedings; (e) initiated against any contractor, vendor or supplier of goods or services arising out of a contract with the Association for services or supplies; or (f) to defend claims filed against the Association or to assert counterclaims in actions or proceedings instituted against it.

In the event any claim is made against the Declarant or any Enforcement Action is instituted against the Declarant, then the Association shall separately assess all Members other than the Declarant for all of the costs of the Enforcement Action, including, without limitation, attorney fees incurred or payable. Funds assessed and collected to pay enforcement fees and costs must be maintained in a separate account specifically designated and used solely for that purpose. Funds from annual assessments or reserves shall not be used to pay enforcement fees and costs.

Section 14.3 Right to Enter and to Correct or Cure. Should any Owner fail to satisfy or fulfil any obligation or responsibility under the Project Documents or to cure or correct any violation of the Project Documents, the Declarant and/or the Association shall have the right, power and authority to go upon the Owner's Lot and to take any action necessary to satisfy the Owner's responsibility or obligation or to correct and cure any violation. Any entry upon the Lot by the Declarant and/or the Association or their respective agents, employees or representatives under this section shall not be deemed a trespass. Actions permitted under this section shall include, but are in no way limited to, (a) removing or repairing non-conforming structures or improvements; (b) mowing, pruning, removing, clearing or cutting underbrush, weeds or other vegetation and trash; and (c) grading, landscaping, and constructing and maintaining erosion prevention devices before or after improvements have been constructed. All expenses incurred by the Declarant and/or the Association in taking such action shall be charged to and collected from such Owner as a Special Individual Assessment under **Section 5.5**, including, but not limited to, administrative fees and costs, reasonable attorney's fees and interest at the maximum rate allowed by law. The Owner shall pay all such costs incurred within thirty (30) days after receipt by said Owner of an invoice from the Declarant or the Association setting forth the cost of such work.

Section 14.4 Limitation on Damages Recoverable. Consequential damages, exemplary damages, punitive damages, treble damages or any other damages which are greater than the compensatory damages or which are based on a multiple of compensatory damages shall not be recoverable by any party in any Enforcement Action, the right to recover such damages being expressly waived.

Section 14.5 Responsibility for Attorney Fees and Costs. Each party in any Enforcement Action shall bear its own costs and expenses, including attorney fees.

Section 14.6 Amendments not Enforceable against Declarant without Consent. Any attempt to amend or eliminate any of the provisions in this Article shall not be binding upon or enforceable against the Declarant unless that Declarant consents in writing to the change.

Section 14.7 Conflicts. In the event of any conflict between this Article and any other provision of the Project Documents, this Article shall control. In the event any claim also falls within the scope of a valid arbitration clause contained in the sales contract with an Owner, this Declaration shall control to the extent there is any inconsistency in the terms governing the arbitration.

Section 14.8 Waiver of Right to Jury Trial. If and to the fullest extent permitted by applicable law, all parties to any Enforcement Action waive any right to a jury trial.

Section 14.9 Use of Funds. In the event a claimant initiates any Enforcement Action against Declarant seeking damages for an alleged defect or deficiency, any judgment or award in connection therewith shall first be used to correct and/or repair the defect or deficiency found to exist or to reimburse the claimant for any costs actually incurred by such claimant in correcting and/or repairing the defect or deficiency found to exist. Any excess funds remaining after repair of any defect or deficiency found to exist shall be paid into the Association's reserve fund.

Section 14.10 Right of Action Restriction. Notwithstanding any other provisions contained herein, the Association shall not have the power to institute, pursue, join, intervene in, settle, or compromise litigation, arbitration, or other proceedings: (i) in the name of or on behalf of any Owner (whether one or more), or (ii) pertaining to a claim relating to the design, construction, or repair of a Townhome, a Lot, or any improvements on a Lot. This Section may not be amended to remove or modify this right of action limitation and restriction with respect to the Declarant, any Declarant Affiliate or any Builder without the expressed written consent of such Declarant, Declarant Affiliate or Builder, which written consent must be recorded with the amendment.

ARTICLE XV

MISCELLANEOUS PROVISIONS

Each Owner, by his acceptance of a deed of conveyance for a Lot, accepts title to that Lot subject to all of the restrictions, conditions, covenants, reservations, liens, charges, jurisdiction, rights and powers created in and/or reserved by this Declaration. All rights, benefits and privileges of every character hereby granted, created, reserved, or declared, and all responsibilities and obligations hereby imposed, shall be deemed to be covenants running with the land, and shall bind any person having at any time any interest or estate in said land, and shall inure to the benefit of such person in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance.

Section 15.2 Construction. The provisions of this Declaration shall be liberally construed to effectuate the purpose of creating, preserving, and maintaining the development and operation of a residential community.

Section 15.3 Waiver. No covenants, restrictions, conditions, obligations, or provisions contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur. There shall be no waiver of strict compliance with the provisions of the Project Documents except expressly and in a writing signed by the waiving party.

Section 15.4 Severability. The invalidity of any covenant, restriction, condition, limitation, or any other provision of this Declaration, or of any part of the same, shall not impair or affect in any manner the validity or enforceability of the rest of the Declaration.

Section 15.5 Time Limits. If any of the privileges, covenants, restrictions or rights created by this Declaration shall be unlawful or void for violation of (a) the rule against perpetuities or some

analogous statutory provision, (b) the rule restricting restraints on alienation, or (c) any other statutory or common law rules imposing time limits, then such provision shall continue only until the expiration of ninety (90) years from the date of recordation of this Declaration.

Section 15.8 Use of Project Name and Trademarks by the Association. The Association may not use the Marks in any way without Declarant’s prior written consent, provided that the Association is permitted to use the mark Project name in its name. Immediately upon Declarant’s request, the Association shall enter into a written trademark license agreement (“License”) with Declarant and/or its affiliates, in form and substance satisfactory to Declarant in its sole discretion, with respect to the Association’s use of the Marks. All use of the Marks by the Association, including but not limited to use of the Project name in its name, shall inure to the benefit of and be on behalf of Declarant and/or its affiliates and shall be subject to Declarant’s and/or its affiliates’ periodic review for quality control. The Association’s breach of the License or failure to enter into the License upon Declarant’s request, shall entitle Declarant to terminate the Association’s right to use the Marks, whether in the Association’s name or otherwise.

Section 15.9 Disclosure of Construction Activities. All Owners, Occupants and other persons who use the Property hereby are placed on notice that Declarant, Builder and/or their respective contractors, subcontractors, licensees, and other designees may, from time to time, conduct blasting, excavation, construction, and other activities within the Property. By the acceptance of a deed, leasehold, license, or other interest to any portion of the Property or by using any portion of a Lot or the Property generally, such Owners, Occupants and other persons acknowledge, stipulate, and agree: (i) such activities shall not be deemed nuisances, or noxious or offensive activities, under any applicable covenants or at law generally; (ii) not to enter upon, or allow their children or other persons under their control or direction to enter upon (regardless of whether such entry is a trespass or otherwise) any property within or in proximity to the portion of the Property where such activities are being conducted (even if not being actively conducted at the time of entry, such as at night or otherwise during non-working hours); (iii) that Declarant, Builder and their respective contractors, subcontractors, licensees, and other designees shall not be liable but, rather, shall be held harmless for any and all losses, damages (compensatory, consequential, punitive, or otherwise), injuries, or deaths arising from or relating to the aforesaid activities; (iv) that any acquisition or use of any portion of the Property was and will be made with full knowledge of the foregoing; and (v) this acknowledgment and agreement is a material inducement to Declarant and Builder to develop, construct, sell, convey, lease, and/or allow the use of the Property.

Section 2.2 Official Action: Unless specifically required in the Declaration or otherwise by law, all actions taken or to be taken by the Association shall be valid when such are approved by the Board as hereinafter set forth or when taken by the officer, committee, person, or entity to whom such authority has been duly delegated by the Board as permitted in the Declaration or as otherwise allowed by law. The Association, its Board, officers, and Members shall at all times act in conformity with the South Carolina Nonprofit Corporation Act, and the Declaration and these Bylaws.

Section 2.3 Business by Electronic Means: The Association, the Board and the Members may transact business by electronic means but only to the extent allowed under South Carolina law and to the extent authorized and approved by the Board from time to time.

ARTICLE 3

OFFICES - FISCAL YEAR

Section 3.1 Principal Office and Registered Office: The principal office of the Association shall be located at such place as the Board may fix from time to time. The registered office of the Association required by law to be maintained in the State of South Carolina may be, but need not be, identical with the principal office.

Section 3.2 Other Offices: The Association may have other offices at such other places within the State of South Carolina as the Board may from time to time determine or as the affairs of the Association may require.

Section 3.3 Fiscal Year: The fiscal year of the Association shall be fixed by the Board.

ARTICLE 4

MEMBERSHIP

Section 4.1 Qualification: Membership in the Association shall be limited to the Owners, and every Owner of a Lot shall automatically be a Member of the Association. "Membership" means all Members as a group. Membership in the Association shall be appurtenant to and may not be separated from Lot ownership. The date of recordation in the Office of the Register of Deeds for Greenville County of the deed conveying any Lot shall govern the date of ownership of that Lot. However, in the case of death, the transfer of ownership shall occur on the date of death (in the case of intestacy), or on the date of probate of the will (in the case of testacy). Until a decedent's will is probated, the Association will rely upon the presumption that a deceased Owner died intestate. There shall be classes of Membership as provided in the Declaration.

Section 4.2 Place of Meetings: All meetings of the Membership shall be held at a place within Greenville County, South Carolina, or at such other place, either within or without the State of South Carolina, as designated in the notice of the meeting. The Board of Directors may permit any or all Members to participate in a meeting by, or conduct the meeting through the use of, any means of communication by which all Members participating in person and/or remotely may simultaneously hear each other during the meeting. A Member participating in a meeting by this means is deemed to be present in person at the meeting. The Board may establish reasonable preconditions, rules and/or procedures regarding voting and remote participation, including, without limitation, requirements that Members register in advance or provide other information before participating remotely.

Section 4.3 Annual Meetings: A meeting of the Association shall be held at least once each year. The first Annual Meeting of the Association shall be held within twelve (12) months after

the incorporation of the Association, at a date and time specified by the Board. Thereafter, the Annual Meeting of the Association shall be held at a date and time established by the Board. At such meetings, the Board shall be elected in accordance with Article V of these Bylaws, and the Members shall transact such other business as may properly come before the meeting.

Section 4.4 Substitute Annual Meetings: If an Annual Meeting is not held on the day designated by these Bylaws, a Substitute Annual Meeting may be called in accordance with the provisions of Sections 4.5 and 4.6. A meeting so called shall be designated and treated for all purposes as the Annual Meeting.

Section 4.5 Special Meetings: After the first Annual Meeting of the Members, Special Meetings of the Members may be called at any time by the President of the Association or by a majority of the Board and also shall be called upon the written demand of Owners holding at least five percent (5%) of the voting power in the Association as provided in S.C. Code 33-31-702(a). Business to be acted upon at all Special Meetings shall be confined to the subjects stated in the notice of any such meeting.

Section 4.6 Notices of Meetings: Written or printed notice stating the time and place of a Membership meeting, including Annual Meetings, and the items on the agenda, including the general nature of any proposed amendment to the Declaration or these Bylaws, any budget changes, and any proposal to remove a director or officer, shall be delivered not less than ten (10) nor more than sixty (60) days before the date of any such Membership meeting by or at the direction of the President or the Secretary by hand delivery or by mail to the mailing address of each Lot or to any other mailing address designated in writing by an Owner or by email to any email address provided by an Owner to the Association. If remote participation will be allowed, the notice shall include instructions on how Members may connect remotely or the contact information for a person who Members can contact to obtain that information. Notice given to any one tenant in common, tenant by entirety or other joint Owner of a Lot shall be deemed notice to all Owners of the subject Lot. Notice of any Special Meeting shall specifically state the purpose or purposes for which the meeting is called. All notices must include a description of any matter that must be approved by the Members under S.C. Code Sections 33-31-831, 33-31-856, 33-31-1003, 33-31-1021, 33-31-1104, 33-31-1202, 33-31-1401 or 33-31-1402.

Section 4.7 Quorum: Except as otherwise expressly required in these Bylaws, the presence in person or by proxy of Members entitled to cast ten percent (10%) of the votes which may be cast for election of the Board shall constitute a quorum at all meetings of the Members. In the event business cannot be conducted at any meeting because a quorum is not present, that meeting may be adjourned to a later date by the affirmative vote of a majority of those present in person or by proxy and without further notice to the Members other than the announcement at the meeting. The quorum requirement at the next meeting shall be one-half of the quorum requirement applicable to the meeting adjourned for lack of a quorum. This provision shall continue to reduce the quorum by fifty percent (50%) from that required at the previous meeting, as previously reduced, until such time as a quorum is present and business can be conducted. The Members at any meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of Members leaving less than a quorum in attendance.

Section 4.8 Voting Rights: The voting rights of Members in the Association shall be as set forth in the Declaration. If fee simple title to a Lot is owned of record by more than one person or entity, all such persons or entities shall be Members of the Association, but the vote with respect to any such jointly owned Lot shall be cast as hereinafter provided.

If the fee simple title to any Lot is owned of record by two or more persons or entities (whether individually or in a fiduciary capacity), the vote with respect to any such jointly owned Lot shall be cast as the Owners agree and determine. A vote cast by any joint Owner shall be deemed assented to by all other Owners of a Lot unless an objection is made at the meeting. In no event may the vote which may cast with respect to any Lot be divided among joint Owners of the Lot or cast in any manner other than as a whole, it being the intention of this Section 4.8 that there be no "splitting" of votes that may be cast by any Member or Members.

Section 4.9 Proxies: Members may vote either in person or by agents duly authorized by written proxy executed by the subject Member or by his duly authorized attorney-in-fact as provided in S.C. Code § 33-31-714. A proxy is not valid after the earlier of the term stated therein or the expiration of eleven (11) months from the date of its execution. In order to be effective, all proxies must be signed, dated, and filed with the Secretary or duly acting Secretary either during or prior to the meeting in question. A Member may not revoke a proxy given pursuant to this Section 4.9 except by (1) attending any meeting and voting in person or (2) signing and delivering to the secretary or other officer or agent authorized to tabulate proxy votes either a writing stating that the appointment of the proxy is revoked or a subsequent appointment form.

Section 4.10 Majority Vote: The casting of a majority of the votes represented at a meeting at which a quorum is present, in person or by proxy, shall be binding for all purposes except where a different percentage vote is required by these Bylaws, the Declaration, the Articles of Incorporation of the Association, or by law.

Section 4.11 Actions by Written Ballot: Any action which may be taken at a meeting of the Membership may be taken without a meeting by written ballot as provided in S.C. Code § 33-31-708.

ARTICLE 5

BOARD

Section 5.1 General Powers: The business and affairs of the Association shall be managed by the Board or by such committees as the Board may establish pursuant to Article VI of these Bylaws; provided, however, the Board may not act on behalf of the Association to amend the Declaration, to terminate the planned community, to elect members of the Board, or to determine the qualifications, powers and duties, or terms of office of Board members. The Board may, however, fill vacancies in its membership for the unexpired portion of any term.

Section 5.2 Number, Term and Qualification: During the Declarant Control Period, the Board shall consist of not less than three (3) members nor more than seven (7) members as may be

fixed or changed from time to time by the Declarant, all of whom shall be appointed by the Declarant and who need not be Members. During the Declarant Control Period, the Declarant may, but shall not be obligated to, direct the Board to call a Special Meeting at which the Owners will elect the members of the Board. Should the Declarant allow the Owners to elect some or all of the members of the Board during and prior to the termination of the Declarant Control Period, the Declarant shall have the right to veto or modify any action or Board decision made by the Board or any officer of the Association and may remove all or any of the directors and officers at any time and for any reason. Subject to the appointment, removal and veto rights of the Declarant provided herein and the right of the Declarant to terminate the election of the Board by the members during the Declarant Control Period, the directors shall be elected by the Members at annual meetings of the Membership thereafter. Nothing herein shall impair or abridge any of the rights or powers granted to or reserved for the Declarant in the Project Documents.

After the expiration of the Declarant Control Period, the Members shall elect five (5) Board members, each to serve until the next Annual Meeting (or until a successor is elected and qualified) and each of whom must be a Member. Thereafter, the Board shall consist of not less than three (3) Members nor more than seven (7) Members as may be fixed or changed from time to time, within the minimum and maximum by the Board. Elections of Board members shall be conducted so as to create staggered terms with two (2) classes of approximately equal size. Except as required to provide or maintain staggered terms as provided herein, each member shall serve a two (2) year term (or until a successor is elected and qualified). Board members may succeed themselves in office.

Section 5.3 Election of Board Members: Subject to the right of the Declarant to appoint Directors as provided in Section 5.2, the election of all Board members shall be by ballot. Persons receiving the highest number of votes (see Section 4.8) shall be elected. Cumulative voting is not permitted.

Section 5.4 Removal: During the Declarant Control Period, the Declarant may remove any Board member at any time and for any reason. After the Declarant Control Period, any Board member may be removed from the Board, with or without cause, by a vote of a majority of the votes entitled to be cast by Members present and entitled to vote at any meeting of the Membership at which a quorum is present; provided, however, that the notice of the meeting must state that the purpose or one of the purposes of the meeting is to remove the Board member. Board members appointed by the Declarant may only be removed by the Declarant. If any Board members are so removed, their successors as Board members may be appointed by the Declarant or elected by the Membership at the same meeting to fill the unexpired terms of any Board member removed.

Section 5.5 Vacancies: During the Declarant Control Period, the Declarant shall have the right to fill all vacancies occurring in the Board. After the Declarant Control Period, any vacancy occurring in the Board may be filled by a majority vote of the remaining Board members, though less than a quorum, or by the sole remaining Board member; provided, however, that any vacancy created by an increase in the authorized number of Board members shall be filled only by election at an Annual or substitute Annual Meeting or at a Special Meeting of Members called for that purpose. The Members may elect a Board member at any time to fill any vacancy not filled by the Board members. As provided in Section 5.4, the Declarant or the Membership shall have the first right to

fill any vacancy created by the Declarant or the Membership's removal of a Board member by electing a replacement at the meeting where the removal occurs.

Section 5.6 Chairman: The President shall serve as the Chairman of the Board unless and until the Board elects another member of the Board to serve as Chairman. The Chairman shall preside at all meetings of the Board and perform such other duties as may be directed by the Board. The Chairman may be removed and replaced by a majority vote of the Board at any time.

Section 5.7 Compensation: No Member of the Board shall receive any compensation from the Association for acting as such; provided, however, each Board member shall be reimbursed for reasonable out-of-pocket expenses incurred and paid by him or her on behalf of the Association and approved by the Board, and nothing herein shall prohibit the Board from reasonably compensating a Board member for unusual and extraordinary services which are beyond services usually and customarily provided by Board members. Further, each Board member, by assuming office, waives the right to institute suit against or make any claim upon the Association for compensation based upon his or her service as a Board member.

Section 5.8 Loans to Board Members or Officers Prohibited: No loans shall be made by the Association to its Board members or officers. Board members who vote for or assent to the making of a loan to a Board member or officer of the Association, and any officer or officers participating in the making of such loan, shall be jointly and severally liable to the Association for the amount of such loan until the repayment thereof.

Section 5.9 Indemnification and Liability of Board Members: To the extent permitted by the provisions of the South Carolina Nonprofit Corporation Act in effect at the applicable time, each Board member is hereby indemnified by the Association with respect to any liability and expense of litigation arising out of his activities as a Board member. Such indemnity shall be subject to approval by the Members only when such approval is required by said Act. In addition, and to the fullest extent permitted by law, no director shall have any personal liability for monetary damages arising out of any action, whether by or in the right of the corporation or otherwise, for breach of any duty as a director.

Section 5.10 Meetings of the Board:

A. Regular Meetings: Regular Meetings may be held, without notice, at such dates, times and locations as may be fixed from time to time by the Board by consent as provided in Section 5.11 or by majority vote as provided in subsection E below.

Regular Meetings may be held, without notice, at such dates, times and locations as may be fixed from time to time by the Board by consent as provided in Section 5.11 or by majority vote as provided in subsection E below.

B. Special Meetings: Special Meetings shall be held when called by the Chairman of the Board, the President of the Association, or by a majority of the Board members upon written notice sent to each Board member by any usual means of communication not less than five (5) days before the meeting.

C. Waiver of Notice: The notice provided for herein may be waived in a written instrument signed by those Board members who do not receive said notice. Attendance by a Board member at a meeting shall constitute a waiver of notice of such meeting unless the subject Board member at the beginning of the meeting (or promptly upon his or her arrival) objects to holding the meeting or transacting business at the meeting and does not thereafter vote for or assent to any action taken at the meeting.

D. Meeting Place: The Board may hold Regular or Special Meetings either inside or outside the State of South Carolina. The Board is expressly authorized to conduct meetings and to allow Board members to participate in meetings as provided in S.C. Code § 33-8-200(b).

E. Quorum: A majority of the Board members then holding office shall constitute a quorum for the transaction of business and every act or decision done or made by a majority of the Board members present at a duly held meeting at which a quorum is present shall be regarded as the act or decision of the Board.

Section 5.11 Action Without Meeting: The Board members shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written consent and approval of all the Board members as permitted by S.C. Code § 33-31-821. Consent and approval may be obtained by email or other electronic means as authorized under Section 2.3 above. Any action so approved shall have the same effect as though taken at a meeting of the Board. Said written approval shall be filed with the minutes of the proceedings of the Board, whether done before or after the action so taken.

Section 5.12 Presumption of Assent: A Board member who is present at a meeting of the Board at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless his contrary vote is recorded or his dissent is otherwise entered in the minutes of the meeting or unless he shall file his written dissent to such action with the person acting as the Secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the Secretary of the Association immediately after the adjournment of the meeting. Such right to dissent shall not apply to a Board member who voted in favor of such action.

Section 5.13 Powers of the Board: The Board shall have the authority to exercise all powers of the Association necessary for the administration of the affairs of the Project except such powers and duties as by law or by the Declaration may not be delegated by the Members to the Board. The powers that may be exercised by the Board shall include, but shall not be limited to, the following:

A. Operation, care, upkeep, and maintenance of the Common Elements, to the extent such operation, care, upkeep, and maintenance is not the obligation of the Owners;

B. Determination of the funds required for operation, administration, maintenance and other affairs of the Project and collection of the assessments from the Owners, as provided in the Declaration;

- C. Employment and dismissal of personnel (including without limitation the Independent Manager) necessary for the efficient operation, maintenance, repair, and replacement of the Common Elements;

- J. Enforcing, on behalf of the Association, the obligations and assessments provided in the Declaration, including, but not limited to, the institution of civil actions to enforce payment of the assessments as provided in the Declaration, the institution of actions to foreclose liens for such assessments in accordance with the terms of the Declaration, the imposition of charges for late payment of assessments, and after notice and an opportunity to be heard, levying reasonable fines for violations of the Declaration, Bylaws and rules and regulations of the Association;
- K. Making repairs, additions, improvements, and alterations to or restoration of the Property in accordance with the other provisions of these Bylaws and the Declaration, after damage or destruction by fire or other casualty, or as a result of a condemnation or eminent domain proceeding;
- L. Enforcing by any legal means or proceeding the provisions of the Articles of Incorporation of the Association, these Bylaws, the Declaration or the rules and regulations hereinafter promulgated governing the Property, including use of the Common Elements; provided, however, neither the Board nor the Association shall have the power to institute, pursue, join, intervene in, settle or compromise litigation, arbitration or other proceedings: (i) in the name of or on behalf of any Owner (whether one or more), or (ii) pertaining to a claim relating to the design, construction or repair of a Lot or any improvements on a Lot. This provision may not be amended to remove or modify this right of action limitation and
