3. SUBDIVISION OF LOTS. Developer or any subsequent owner of a lot, with prior written consent of Developer or its nominee, may sell and convey a portion of any lot to the owner of an adjoining lot, provided that any such sale of a portion of a lot does not result in the creation of another lot or a greater number of lots than that shown on said plat and does not violate any other provisions hereof. No lot may be subdivided to create an additional lot. In any such sale of a portion of a lot, the portion shall merge into and become part of the adjoining lot, and the terms and conditions herein shall apply to the lot and portion of a lot as though they were originally platted as one lot. Nonetheless, Developer reserves the right and privilege, upon showing of special, unique or unusual circumstances to give a waiver to any setback restrictions on a lot, but such waiver must be given in writing to be valid. Developer reserves the right to deny a waiver for any reason deemed appropriate in its sole discretion.

6. SEWER EASEMENTS. Certain lots are subject to an easement and right-of-way for sanitary sewer purposes. The total width of the sewer easement is twenty-five (25') feet, consisting of twelve and one-half (12 ½ ') feet on each side of the sewer line and shall be shown on a plat of Old Georgia Farms. Any portion of a lot subject to a sewer easement is for the installation, maintenance and repair of the sanitary sewer line and/or manhole, and no lot owner shall build permanent above-ground improvements upon said easement or do any other act or deed which would interfere with or interrupt the use of the easement for sanitary sewer line purposes. In the event the subdivision or any portion thereof can be annexed to the city at any time in the future Developer reserves the right to consent in behalf of all owners of the subdivision, to annex individual lots to the city of Spartanburg and to take all action necessary or as may be required or requested by the City of Spartanburg. No building or structure, whether it be the dwelling house, garage, hobby-type building or driveway shall be erected, placed or altered on any lot until the building plans, elevations, location, specifications and driveway have been approved in writing by Developer or its nominee. If such shall not be approved or disapproved within thirty (30) days after being submitted, then such approval shall not be required, provided, however, the design and location of the proposed construction shall conform to the specific building requirements stated herein and otherwise be in harmony with the existing structures in the subdivision. Any proposed hobby-type/storage building must be built as a permanent structure and be designed in harmony with the main dwelling. Disapproval of plans, elevations, location or specifications may be based purely upon aesthetic reasons in the sole discretion of the Developer or its nominee.

B. The completion of improvements upon a lot shall include the landscaping of the yard, including the grassing or sodding of the yard and the planting of shrubs and/or decorative plants or bushes along the front elevation of the dwelling.

D. No garage shall open to a street unless said garage is enclosed with a door(s). Developer reserves the right to grant a waiver or variance to this provision, but only in cases where compliance creates an undue hardship as a result of the configuration or terrain of a lot. Any such waiver from the Developer is required to be in writing to constitute a valid waiver.

E. The Developer has broad discretion, which may be exercised purely for aesthetic reasons and no other, with respect to the approval of the location of a garage or hobby-type storage building on these lots.

8. **PROHIBITED BUILDING MATERIALS.** Concrete blocks and cement bricks shall not be used in the construction of any building, garage or hobby-type/storage building unless the exterior of same is faced with brick, stone, stucco or some other material approved by Developer or its nominee. All driveways must open to a street within Old Georgia Farms. No driveway may open to Old Georgia Road. Where driveways from a lot intersect with the public street, said driveway will abut the existing "rolled" curb, thereby keeping the "rolled" curb in tact and undamaged. If during construction or otherwise, the curb or pavement adjacent to a construction site is broken, removed or otherwise damaged, the owner of the lot upon which such construction/work is being done shall bear the cost of replacing or repairing such damage to the satisfaction of the Developer.

11. **DEVELOPER'S DISCLAIMER.** DEVELOPER, AND ITS SUCCESSORS AND ASSIGNS, ITS AGENTS, CONSULTANTS AND EMPLOYEES, HEREBY DISCLAIM ANY AND ALL WARRANTIES, EXPRESSED OR IMPLIED, OF GOOD WORKMANSHIP, DESIGN, HABITABILITY, QUALITY, FITNESS FOR ANY PARTICULAR PURPOSE OR MERCHANTABILITY OR ANY REPRESENTATION CONCERNING SAME, AND NO WARRANTIES OF ANY KIND SHALL ARISE AS A RESULT OF ANY PLANS, SPECIFICATIONS, STANDARDS OR APPROVALS MADE OR APPROVED BY DEVELOPERS, OR ITS NOMINEES, AND DEVELOPER SHALL NOT BE LIABLE TO ANY OWNER OR ANY OTHER PERSON ON ACCOUNT OF ANY CLAIM, LIABILITY, DAMAGE OR EXPENSE SUFFERED OR INCURRED BY OR THREATENED AGAINST ANY OWNER OR SUCH OTHER PERSON ARISING OUT OF OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF ANY REVIEW, ACCEPTANCE, INSPECTION, PERMISSION, CONSENT OR REQUIRED APPROVAL WHICH MUST BE OBTAINED FROM THE DEVELOPER, WHETHER GRANTED OR DENIED. Wire or wooden fencing shall be permitted on any lot from the rear corner of the residence erected thereon to the rear of the lot, provided, however, that no such fence shall exceed six (6') feet in height. No fencing of any kind shall be installed or allowed to remain on any lot which shall interfere, damage or obstruct the installation or maintenance of any utility. On corner lots, no fences shall be erected beyond the side building setback line shown on the plat above referred to. Nonetheless, Developer reserves the right and privilege, upon showing of special, unique or unusual circumstances to give a waiver to any setback restrictions on a lot. Magnolia Associates, Inc. will install a wood privacy fence (8') feet high across the backs of lot 1 through lot 24.

15. **BUSINESS ACTIVITIES PROHIBITED.** No commercial operations, business operations, manufacture or production shall be permitted upon any lot. Also, no buses, trucks or trailers other than pick-up trucks not to exceed three-quarter (3/4) ton in size, shall be parked on a lot or in the street right-of-way, except for loading and unloading. Furthermore, no portion of a lot shall be used for the operation of any motorized vehicles such as motorcycles, mini-bikes, go-carts, four wheelers or similar vehicles.
18. **PORTABLE OR METAL BUILDINGS PROHIBITED.** Portable building, metal storage buildings or other similar off-site constructed storage buildings are prohibited to be placed or remain on any lot, provided, however, that a hobby-type building or other storage building approved in writing by the Developer or its nominee, is permissible.
19. **SWINGSETS.** Swingsets, sandboxes, gym sets and any such similar devices or structures primarily for children's use and enjoyment must be located on the rear portion of a lot. Basketball goals are allowed on driveway areas or in the rear portion of any lot. No additional concrete or asphalt pad may be poured for ANY recreational use from any back corner of the home to the front property line.
20. **POOLS.** No above ground pools of any design may be constructed or placed on any lot. 26. **TELEVISION ANTENNA AND SATELLITE DISHES.** A standard roof-mounted or chimney-mounted television antenna or an 18" (or smaller) satellite dish is permissible, but no other type of antenna, satellite dish or similar device for the transmission of signals of any kind shall be erected or allowed to remain on any lot without the express written permission of the Developer or its nominee.
27. **COMPLETION OF IMPROVEMENTS.** All houses and other structures related thereto must be completed within one (1) year after the commencement of construction, except where such completion is impossible due to strikes, fires, national emergency or other natural calamity.

29. **SIGNS.** No signboards or other signs of any kind shall be displayed on any lot except a single "For Sale" and a builder's sign, or a single "For Rent" or the "builders" sign. No sign shall be more than thirty inches (30") by thirty inches (30") in size, provided, however, the Developer shall have the right to use additional signs for the development of the property. The common areas shall be exempt from this provision, due to the fact that the subdivision identification signs shall be located thereon.

31. **MAINTENANCE OF STREET RIGHT-OF-WAY.** The owner of a lot shall be responsible for the planting and maintaining of the area from the property line(s) to the edge of the pavement or curb of the street or streets upon which said lot abuts.

33. **FIREWORKS.** Shooting of fireworks of any kind, and the storage thereof, are prohibited unless carried out in conjunction with a supervised activity of the Developer or the Old Georgia Farms Homeowners Association, Inc.

34. **TEMPORARY SALES OFFICE.** The Developer or his designee shall have the right to place or erect a temporary sales office on any lot in the development for the purpose of marketing lots or homes.

35. **MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION.**

A. **Membership.** Every person or entity who is a recorded owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association shall be a member of the Association, provided that any such person or entity, who holds such interest merely as a security for the performance of an obligation, shall not be a member.

B. **Voting Rights.** The Association shall have two (2) classes of voting membership as follows:

Class A. Class A members shall be all those Owners defined in Paragraph "a" with the exception of the Developer. Class A members shall be entitled to one (1) vote for each Lot in which they hold the interests required for membership by Paragraph "A". When more than one person holds such interest or interest in any Lot, all such persons shall be members, and the vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any such Lot.

Class B. Class B members shall be the Developer and shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) When the total votes outstanding in Class A membership equals the total votes outstanding in Class B membership; or

(b) December 31, 2008.

36. **COVENANT FOR MAINTENANCE ASSESSMENTS.**

A. Creation of Lien and Personal Obligation of Assessments. The Developer for each lot owned by it within Old Georgia Farms hereby covenants and each owner of any lot by acceptance of a deed to a lot within Old Georgia Farms, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association:

(1) Annual assessments or charges; and

(2) Special assessments for capital improvements, such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and cost of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due.

B. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purposes of promoting the health, safety and welfare of the lot owners in Old Georgia Farms and in particular shall be used for the payment of costs and expenses, including, but not limited to, the following:

(1) For the payment of expenses related to the upkeep, maintenance and replacement of signs within Old Georgia Farms identifying the subdivision, containing street names or other safety signs, if any.

(2) For the payment of services for any street lighting undertaken and accepted by the Association.

(3) For the payment of expenses for services in connection with the maintenance, upkeep and improvement to the entrance, including any lighting or watering systems that may be installed.

(4) For any other purpose, cost or expense reasonably related to the performance of any duty or responsibility of the Association as determined by the Board of Directors of said Association in accordance with the By-laws and these restrictions.

C. Basis and Maximum of Annual Assessments. There will be an annual assessment payable at closing of each lot. For the year beginning January 1, 2004, the annual assessment shall one hundred dollars, (\$100.00) per Lot. The annual assessment may be adjusted by a vote of the Members as herein provided. The Board of Directors of the Association may, after consideration of current maintenance cost and future needs of the Association, fix the actual assessment for any year at a lesser amount. Lots owned by the Developer or Builders shall be exempt from annual assessments until such time as a completed dwelling shall have been constructed thereon. Such an exemption shall not affect the Developer's or Builder's voting rights in the Association.

D. Special Assessment for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the consent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purposes of the meeting.

E. Change in Basis and Maximum of Annual Assessments. Subject to the limitations in Paragraph 36.C. above, and for the periods therein specified, the Association may change the maximum and basis of the assessments fixed by Paragraph 36.C. hereof prospectively for any such period provided that any such change shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

F. Quorum for Any Action Authorized Under Paragraphs 36.D. and 36.E. The quorum required for any action respecting assessments authorized by Paragraphs 36.D. and 36.E. hereof shall be the number of Members present at a meeting duly called and convened pursuant to Paragraphs 36.D. and 36.E. hereof.

G. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence on January 1 of each year. The annual assessments provided for herein shall begin and become due and payable January 1, 2004, and on January 1 of each year thereafter. Annual Assessments are not to be prorated as between an owner and the Association. Prior to January 1, 2004, the Developer agrees to maintain the Common Properties in a good state of repair and operation. The due date of any special assessment under Paragraph 36.D. hereof shall be fixed in the resolution authorizing such assessment.

H. Duties of the Board of Directors. The Board of Directors of the Association shall fix the date of any special assessment and at least thirty (30) days in advance of the due date of any assessment prepare a roster of the properties and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner. Written notice of the assessment shall thereupon be sent to every Owner subject thereto. The Association shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

I. Effect of Non-Payment of Assessments; the Personal Obligation of the Owner; the Lien; Remedies of Association. If the assessments are not paid on the date when due (being the date specified in Paragraph 36.G. above), then such assessments shall become delinquent and shall, together with such interest thereon and cost of collection thereof, as hereinafter provided, become a continuing lien on the property, which shall bind such property in the hands of the then Owner, his heirs, devisees, Personal Representatives, successors and assigns. The personal obligation of the then Owner to pay such assessments, however, shall remain his personal obligation for the statutory period, but such personal obligation shall not pass to his successors in title unless expressly assumed by them. Such successors in title do, however, take the title subject to any outstanding lien for assessments. If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the delinquency date at the rate of one and one-half (1 ½%) per month (ANNUAL PERCENTAGE RATE - 18%) from the delinquency date. The Association may bring an action at law against the owner personally obligated to pay the same or an action to foreclose the lien against the property, and there shall be added to the amount of such assessment, the interest thereon as above provided, plus reasonable attorney's fee and the costs of the action.

J. Lien of Assessment is Subordinate to Recorded Mortgages. The lien of assessment provided for herein shall be subordinate to the lien of any mortgage now or hereafter placed upon a lot subject to the assessment. The sale or transfer of a lot shall not affect the assessment lien, provided, however, the sale or transfer of any Lot pursuant to mortgage foreclosures or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No such sale or transfer shall relieve such lot from liability for any assessments thereafter coming due or from the lien thereof.

37. ENFORCEMENT BY HOMEOWNERS ASSOCIATION. Except for approvals and rights expressly reserved herein unto the Developer or its nominee, the Old Georgia Farms Homeowners Association, Inc., shall have standing to enforce the within restrictions, covenants and obligations in the same manner and to the same extent as does the Developer or any other owner. The powers and authorities herein granted to the said Association shall be in addition to such other and further rights, duties and obligations which may be set forth in the by-laws of the Association adopted in accordance with the terms hereof.

38. DELEGATION OF DEVELOPER'S RIGHTS. All rights reserved unto the Developer herein remain exclusively with the Developer, its successors and assigns, provided, however, Developer may assign and/or delegate all or part of such reserved rights to the Homeowner's Association.

39. TERM OF ENFORCEMENT AND AMENDMENTS. These covenants, conditions, easements and restrictions shall be binding upon the Developer, its successors and assigns, upon all future owners, their respective heirs, successors and assigns, and all parties claiming under them, until December 31, 2025, at which time the terms hereof shall be automatically extended for successive periods of ten (10) years thereafter, unless the then Owners owning at least eighty percent (80%) of the Lots in Old Georgia Farms agree in writing to terminate or change same. The terms and conditions of this instrument may be amended or changed only upon written agreement of the then Owners owning at least eighty percent (80%) of the Lots in Old Georgia Farms. Notwithstanding anything herein to the contrary, the Developer, its successors, and assigns, reserves the right to waive, modify or change in writing, any of the terms hereof with respect to the application thereof to a lot based upon special, unique or unusual circumstances, but no such waiver, modification or change shall substantially affect the overall plan of development

40. EFFECT OF COVENANTS AND ENFORCEMENT.

A. Effect of Provisions of These Covenants. Each owner, tenant and guest, their successors, heirs and assigns, and all others who take an interest in land or realty within Old Georgia Farms do promise, covenant and undertake to comply with each provision of these covenants, which provisions:

(3) shall be deemed a real covenant by the Developer for itself, its successors and assigns and also an equitable servitude, running in each case, both as to burdens and benefits with and upon the title to each lot within Old Georgia Farms;

(4) shall be deemed a covenant, obligation and restriction secured by a lien binding, burdening and encumbering the title to each lot within Old Georgia Farms, which lien, with respect to any such lot shall be deemed a lien in favor of the Association.

B. Who May Enforce. The benefits and burdens of these covenants run with the land at law and in equity, and the Developer and the Association, their respective successors and assigns, and any owner, his heirs, successors, legal representatives, Personal Representatives and assigns shall have the right to proceed against any party in violation of these covenants and to compel a compliance to the terms hereof and to prevent the violation or breach in any event.

C. Against Whom May the Covenants be Enforced. The obligation and benefits prescribed by this instrument shall run with the property and shall be enforceable against any owner, his heirs, successors and assigns, or any other person whose activities bear a relation to the property, including guests and tenants when the aforesaid persons or entities engage in activities (including omissions and failures to act) which constitute violations or attempts to violate, contravene or circumvent the terms hereof.

D. Enforcement Remedies. In addition to other enforcement rights mentioned herein, in the event that any structure is erected, constructed, reconstructed, altered, repaired, converted or maintained, or any structure or land use is in violation of these covenants, the Developer, its successors and assigns, the Association or any owner may institute appropriate legal proceedings or actions at law or in equity, including, but not limited to, actions: (1) to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance or use; (2) to restrain, correct or abate such violation, or breach of these covenants; (3) to prevent the occupancy of any dwelling or land; (4) to prevent any act, conduct, business, or use which is in breach of these covenants; or (5) to compel any affirmative act which, pursuant to these covenants, "shall" be performed. Any action in equity hereunder for the enforcement hereof shall not be barred on the grounds that there may also exist an adequate remedy at law. The prevailing party in any action to enforce these restrictions shall also be entitled to reasonable attorney fees against the other party.

41. MISCELLANEOUS.

A. No Waiver. Failure to enforce any provision or provisions of this instrument for any period of time by the Developer, the Association or any owner shall not be deemed a waiver or estoppel of the right to enforce same at any time thereafter.

B. Captions. The captions and headings in this instrument are for convenience only and shall not be considered as controlling in construing the provisions hereof.

C. Board Authorization. All actions of the Association shall be authorized actions if approved by the Board of Directors of the Association in accordance with its By-Laws, unless the terms of this instrument provide otherwise.

D. Gender, Tense, Number and Applicability of Definitions. When necessary for proper construction, the masculine form of any word used herein shall include the feminine or neuter gender, and the singular, the plural and vice versa, and words used in the present tense shall include the future tense.
